

Grammar Schools Solidly Against One Big District

High School Board Is Only Proponent

By DICK OSBORN

What will happen November 30 when the County Augmented Committee on School District Organization meets to consider a unification plan for the Acalanes High School District?

Several things could happen, but one is almost certain.

That is rejection of the Odell report which recommends total, or horizontal, unification of the district.

This would make one large district out of what is now the Acalanes Union High School District and the Canyon, Moraga, Orinda, Lafayette and Walnut Creek elementary districts.

THE FIRST vote which will be taken at that meeting will be on acceptance or rejection of the Odell report, according to Dr. Jack Shabbazian, chairman of the county committee.

Acceptance of the report would mean that the residents of the area would vote on horizontal—total—unification of the local school system.

Rejection would mean that further study of the unification matter would take place, according to Dr. Shabbazian.

However, if the local school districts come up with an alternate plan which meets with the approval of all concerned, this could also be submitted to the people for a vote.

THE COUNTY committee consists of 11 members who represent various parts of Contra Costa County. Each member has one vote. This group is augmented by one member from each local school board involved in the unification studies.

Therefore, a total unanimous vote would be 17. However, theoretically, the county committee could outvote the local school districts 11 to six if it so desired.

How have the local school districts instructed their members to vote at the November 30 meeting?

Here are their comments:

Walnut Creek will vote for rejection of the Odell report and has officially instructed its delegate. If Walnut Creek presents an alternate plan, it will favor unification of the Walnut Creek district by itself with the Sun Valley portion of Lafayette included. This would give Walnut Creek two high schools—Las Lomas and Del Valle.

LAFAYETTE has not officially instructed its delegate but will do so at the next board meeting Monday, November 27. The instruction will be rejection of the Odell report, according to chairman Boardman Moore. He said they may not come up with an alternate plan and expressed concern that if vertical unification of surrounding school districts takes place, Lafayette will be left with only Acalanes High

School and no additional sites for another high school.

He agreed that unification in principal is good and commented, "We can't honestly say we prefer the status quo. Articulation is to be gained through some form of unification."

J. Gordon Ainsworth, chairman of the Orinda trustees, said that official instructions have not been given their delegate, but will be "sometime before the November 30 meeting."

"ORINDA has already gone on record as favoring vertical unification, if any," Ainsworth said. He indicated that his board would vote for rejection of the Odell report and, if an alternative is proposed, would recommend that Orinda unify by itself, if at all.

Moraga trustees have officially instructed their delegate to vote for rejection of the Odell report, and have indicated that they would favor unification with Lafayette and Canyon. This is the same plan favored by Orinda. It would result in three unified school districts consisting of Walnut Creek; Lafayette, Moraga and Canyon; and the third, Orinda.

CANYON BOARD chairman Dick Day said that no official stand has been taken by the Canyon board, but that they will meet "sometime next week." He indicated that his board will recommend rejection of the Odell report and, if they must come up with an alternative, would prefer to join with Moraga but nobody else.

"We feel that if a larger district were formed, we would be lost in it," said Day. "We have a unique setup here and we don't want to lose it."

William Lee of the Acalanes board said that no official decision has been made, but will be on Monday, November 27. He said the board would not favor any division of the present Acalanes district, which means that the Acalanes member will probably be instructed to vote for the Odell report.

HE DECLINED to discuss any possible alternatives.

This means that the local elementary districts are solidly lined up against horizontal unification, while the high school district favors it.

What will happen will depend entirely on how the county committee votes.

And that won't be known until November 30, 8 p.m., Acalanes High School.

Richfield Keeps Mum On Station

"We are taking the matter under consideration," was the only statement Virgil McNab of the Richfield Oil Corporation's San Francisco Public Relations Office would make when interviewed by The Sun yesterday.

McNab was asked if his office had received protests and/or petitions from Orinda residents regarding the proposed building of a new enlarged Richfield station on Orinda Way.

Answering in the affirmative, McNab refused to disclose the number of petitions of protest received by his office. Whether the number is five or 155 or more remains Richfield's secret.

McNab's most specific comment regarding the number was "some."

Although McNab chose to make "no comment," he did say, "We are not ignoring the petitions."

Both Richfield's public relations office and the real estate division officer have remained silent throughout the controversy stirred by reports that the company is planning to build a large station on Orinda Way.

If the proposed plan is put into action, four shops now in existence will be torn down. Residents who have contacted The Sun say they do not want the natural charm of the village spoiled by another station, nor do they feel that Orinda needs another service station.

WC Holdup Is Like Orinda's; \$3000 Taken

The young man who hurriedly held up the Walnut Creek First Savings and Loan Company on Mt. Diablo Boulevard and walked out with more than \$3000 in cash may be the same young man who got away with some \$3000 from the Orinda Central Valley Bank.

The First Savings teller, Mrs. Mary Blaes, mother of three, was handed a note at 1:20 p.m. Wednesday, and it read, "I am nervous. Don't make me shoot. Put all of the money on the counter."

She described the bandit as being from 24 to 30 years old, five feet 11 inches tall, 165 pounds, dark hair.

He wore glasses, a white golfer-type cap, a black windbreaker type jacket and dark trousers.

His description and "manner of operation" were similar to the Orinda bank robber, and in both cases he was in a hurry.

He told Mrs. Blaes to "hurry up."

The Orinda bank robber had told the girl tellers to "make it snappy."

In both cases, the robber stuffed the money offered into a box and walked immediately for the exit, disappearing from sight.

This time the bandit got away with bills of \$10, \$20, \$50 and \$100 denominations.

Several agents of the Federal Bureau of Investigation arrived shortly after the holdup to assist local police.

Local officers dusted the teller's fixtures for fingerprints. In Orinda, the FBI men had checked some currency dropped for fingerprints.

This year, the American Field Service is sponsoring two students from Sweden and Jean-Michel Sicre of France, and two Miramonte students, Karen Olson and Mike Eaton, are presently studying in Germany and Italy.

This week parents of students in the Acalanes High School District will receive the first of four electronically printed report cards. The cards will be distributed each quarter during the year.

The new report cards will provide parents with a permanent record of their student's grades which may be kept for future reference. The cards will not be signed or returned. Each quarter of the school year, a new

printed report card will be sent home. The final report card in June will be mailed to the parents.

At the end of each semester the report card will show the grades for the first quarter, the second quarter, the semester grade in each subject, as well as the citizenship grade the student received.

Orinda North Subdivision Opposed

Proposed Building Plans Bring About Objections

Unanimous opposition to the present plans for the proposed subdivision, Tract No. 2893, to be constructed on 185 acres of property known as "Orinda North" has been expressed by the Board of Directors and the Planning Committee of the Orinda Association.

Joining the opposition are the board of directors of the Hacienda Homes Improvement Association. Both groups have presented written statements to The Sun itemizing specific objections.

Builders Bryan & Murphy have requested the County Planning Commission for a permit to build a subdivision with a total number of 200 lots in a zone district R-A.

Their exception to the request reads as follows: To build a proposed subdivision of 67 lots less than one half acre and 31 lots less than a 100-foot average width by formula; 10 feet and 10-foot side yards and 40-foot right of way for LaCuesta Court, which is in the Haciendas Del Orinda units 1 and 2.

PART of the area concerned is south of Haciendas Del Orinda units 1 and 2 and west of Altarinda and north of Mt. Diablo Boulevard. This is directly behind the Orinda library and nursery school on the Orinda Village site.

The builder's request as it now stands has lots less than one half acre in size and some as small as one quarter acre, according to the plans.

Ted Rimer, president, Hacienda Improvement Association, stated: "If the proposed building exception is granted the work of thousands of people through the years in the Orinda area will vanish."

"We, the board of directors of Hacienda Improvement Association, strenuously oppose the granting of the building of a tract of this type in Orinda and it is our firm intention to oppose with all our vigor the granting of same."

ACTION by the board and planning committee of the Orinda Association was taken at a meeting on November 9 after the parties concerned had reviewed the proposal for the subdivision and seen the proposed plans.

A four-page statement of the association's reasoning and objection to the proposed subdivision was prepared.

Suspension for Semester's Balance Is New Discipline Policy Proviso

A discipline policy which would allow principals to suspend unruly students for the "balance of the semester" was approved by Acalanes Union High School District trustees this week.

Principals may also continue to use the less extreme measure of suspending students for up to two weeks for disciplinary purposes.

Prior to adoption of the new policy this week, extreme discipline cases have been subject to expulsion.

CHANGE in the policy would give the errant student an opportunity to reconsider his conduct and negotiate his return to school at the end of the semester in which he was expelled.

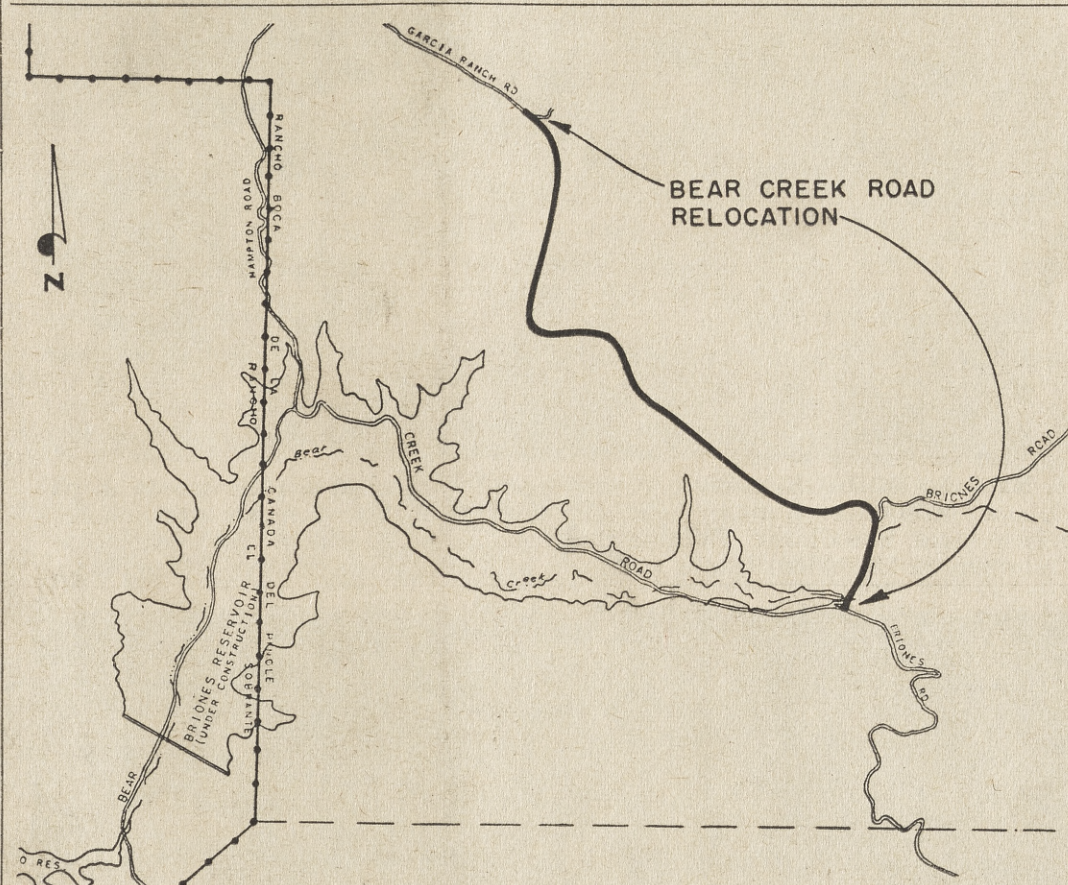

The ruling was sanctioned on the basis of legislation passed recently at Sacramento pertaining to school code regulations on disciplinary expulsion.

In other action this week Acalanes High School District trustees reviewed tentative proposals for the attendance area of the new Campolindo High School under construction in the Rheem area.

Decision on the Campolindo attendance area will be made after a hearing at the board meeting November 27 at 7:30 p.m., at the district office, 1212 Pleasant Hill Road.

A REPORT by Superintendent Neil M. Parsons indicates that construction of additions at Del Valle High School are proceeding on schedule. But that work on Campolindo has been set back by the recent cement strike.

Trustees instructed the district architect to work out a suitable assessment for delay with Reynolds Construction Company. The firm was allegedly 31 days behind in completion

CLEARING for the B1 route of the Bear Creek Road relocation project is scheduled for early December. The B1 route extends north from the intersection of Bear Creek Road and Briones Road and connects with the Garcia Ranch Road. Future construction will extend the route to Hampton Road.

B-1 Clearing Starts

Supervisor Nielsen announced today that the board of supervisors has approved the plans and specifications for clearing the "B1" route of the Bear Creek Road Relocation project, and advertised for bids to be received at 11 a.m. on December 12.

Clearing which will start shortly thereafter is required in order to facilitate completion of design.

This section of road will replace the connection between Upper Valley Road and Hampton Road (Bear Creek Road) that will be inundated when the Briones reservoir is filled to capacity.

The "B1" route extends north from the intersection of Bear Creek Road and Briones Road and connects with the Garcia Ranch Road.

The estimated cost of the clearing is \$21,500.

The funds for the new road are being provided by the East Bay Municipal Utility District as a part of the cost for replacing the roads flooded by the Briones reservoir.

Design of the road is by the Tudor Engineering Company under the direction of Victor W. Sauer, public works director for Contra Costa County.

Firemen Pay Up

A 10 per cent pay increase for firemen in seven county fire districts was approved by the Board of Supervisors Tuesday.

Although it appears that four of the districts may not have enough money in their unappropriated reserve to cover the increases.

Three districts, Mt. Diablo, El Sobrante and Mt. View, will be able to pay the 10 per cent in January.

Where this is impossible, a 5 per cent increase will be paid in January and another 5 per cent in April.

COMMISSIONERS of several fire districts are unhappy be-

cause they were not consulted, Zack Montgomery, president of the Fire Commissioners Association, told the supervisors.

Supervisor Mel Nielsen replied that there has been publicity in the newspapers and discussion in public hearings, and the commissioners should keep themselves informed.

Harry Morrison Jr., executive director of the County Taxpayers Association, said the increase in pay violates the board's policy of granting increases only at budget time.

The supervisor vote was 4-1, with Supervisor Edmund Lin-scheid dissenting, saying he did

not agree with a two-step increase at this time.

A recommendation was made that the firemen's uniform monthly sick leave accrual be cut from 42 hours to 13 hours, with each day's absence counting as 24 hours sick leave.

THE proposal by the county advisory committee will be considered November 28 at 11 a.m. E. K. Irwin, manager of the County Employees Association, objected to the proposal, saying it would cut sick leave benefits in half.

County Administrator Joseph McBrien said that the proposal would conform with the practice in other Bay Area fire districts.

AFS Fund Drive Nets \$1900 Plus

Miramonte American Field Service members collected over \$1,900 in the Orinda-Moraga area during a recent fund drive. This money will be used to bring two foreign exchange students to the community next year and to send one or two Miramonte students abroad.

This year, the American Field Service is sponsoring two students from Sweden and Jean-Michel Sicre of France, and two Miramonte students, Karen Olson and Mike Eaton, are presently studying in Germany and Italy.

Search Still Underway for Orinda Firebug

Investigation to determine the cause of dangerous blazes in the Orinda-Tilden Park area a last weekend is still underway, according to Fire Chief Al Winsor.

He has called upon Orinda residents to help in exposing the arsonists who may have set off fires in Tilden Park, Briones Valley and Sleepy Hollow areas.

"We have asked people to notify us or the sheriff's department if they see any cars or persons leaving a fire area. If possible we would like as complete a description as possible, and of course, the license number when a car is involved."

Cal Dean Will Speak On Crime

Joseph D. Lohman, dean of the University of California School of Criminology, will be guest speaker November 27 at 8 p.m. at the Orinda Library.

Lohman's appearance is being sponsored by the Friends of the Orinda Library. His subject will be "The Changing Shapes of Crime."

A sheriff of Cook County, Illinois, from 1954 to 1958 he later was elected treasurer of the State of Illinois.

Electronic Report Cards

This week parents of students in the Acalanes High School District will receive the first of four electronically printed report cards. The cards will be distributed each quarter during the year.

The new report cards will provide parents with a permanent record of their student's grades which may be kept for future reference. The cards will not be signed or returned. Each quarter of the school year, a new

printed report card will be sent home. The final report card in June will be mailed to the parents.

At the end of each semester the report card will show the grades for the first quarter, the second quarter, the semester grade in each subject, as well as the citizenship grade the student received.

As a part of the data processing provided by the county schools office, the report cards

represent an effort on the part of the high school district to save clerical time, improve the available for use by teachers accuracy of records and make and counselors detailed analyses of grades and grading practices.

Entering the semester grades on student's permanent record cards will be done by attaching adhesive labels rather than pasting them by hand as was done in the past.

As the labels are printed from

the same data as was used to print the report card, the chance of clerical error is eliminated, and grades may be entered in a matter of seconds rather than the minutes previously required for each student record.

Earlier in the year, much of the basic information for the report cards was assembled.

After next year, when the county office will have the use of a high speed computer, additional services and faster reporting will be possible.

of work at Del Valle High School as stipulated by contract.

They approved the purchase of library books for new schools from the district's undistributed reserve. Some \$10,000 will be earmarked for library development at the district's two newest schools: Campolindo, now under construction; and Del Valle High.

The appropriation would enable Campolindo to start with a basic shelved library and enable Del Valle to expand its facility by the time it moves to a ninth through 12th grade curriculum next year.

Grades nine to 11 are currently enrolled at Del Valle.

Thanksgiving Means Early Ad Deadlines

Time flies, and before you really have time to thank about it, Thanksgiving rolls around again.

And Thanksgiving is a holiday. That means that the advertising deadlines for The Sun and Sun Shopping News must be rearranged, so if you are planning to place an ad which will run Thanksgiving week, better get on the phone right now.

Classified ad deadline will be 5 p.m. Friday, with too late to classify ads being accepted until 10 a.m. Monday.

Display advertising deadlines remain Friday night at 5 p.m.

The Sun will appear on Friday as usual, but the Sun Shopping News will be delivered to your home on Tuesday instead of the customary Wednesday.

Letters to The Editor

GAS STATIONS

Dear Editor:

Although I am an employee of a rival oil company, I can not stand by and watch, as the Orinda Sun tells barefaced lies. The "believed" proposals by the Richfield Oil Company to tear down some sad-looking buildings and erect a modern service station represents, to me, a step in the right direction.

ANYONE who owns an automobile knows that there is not a "surplus" of gas stations." Try getting into any of them for a grease-job on a Saturday afternoon.

Orinda Motors has one antiquated grease rack which they haven't time to operate full time. Their gas pumps can accommodate only two cars.

Commercial land is expensive; so much so that hardly anyone can afford to buy it. The space is available, and plenty of it. But, try to buy any of it for any purpose and see how far you get.

IF YOU can afford the price, you still have to buck the so-called "Orinda Association," whose only purpose seems to be stagnation, looking at their past record.

Since none of the arguments in Friday's "editorial" hold water, there must be some other motive behind it. I would like to know what that might be. Could it be that the "Orinda Association" wrote your editorial for you?

RUSSELL F. BOYNTON

Ed. Note: It is difficult to tell how Orindans feel; this is the only letter we have received regarding the proposed service station. However we have received more than a dozen telephone calls from residents who wished to protest the proposed station. We have referred the callers to the Public Relations Office, Richfield Oil Corporation, 417 Montgomery Street, San Francisco.

Suburbia Scribblings

By MARIE MONAHAN

Too Much, Too Soon . . .

MANY mothers (fathers too, I suppose) provoked at the prospect of too much emphasis on 7th grade social life plus Pom-pom girls at 5th & 6th grade level (how silly can we get!) prompted me to visit the office at Pine Grove School.

There I learned that the School district or Rec. Dept. "has no jurisdiction" over that particular age level of razza-ma-dazza rah-rah girls & that the kids (w/the help of a few mothers, maybe?) have organized themselves into this.

THE SCHOOL authorities neither sanction it nor condone it but by letting it exist at all, obviously fall prey to provocation from many of us.

(If they turned up at school w/lipstick & mascara, they'd soon be sent home.)

IT ISN'T that we Moms are agin Pom-pom girls. We aren't. But we do believe that this fun & spirit should come at a later age when the girls have "grown up" to it. First, the colleges had their Pom-pomners . . . then high school. Now it's come to 7th & 8th grade junior high level & worse yet, down to 5th & 6th. Next you know we'll have kindergarten cheerleading!

TOO MUCH, too soon . . . Like the "Act Your Age" course, w/an emphasis (however slight) on dating manners planned for 7th grade P.E. class. Of all the 7th graders, only an eensy percentage will date . . . & even so, there are plenty of fourteen & fifteen-yr. olds who still don't. Isn't it time we all pulled the reins on whoever the few who are pushing these feather-headed ideas?

If the high school has a ruling that jackets representing private clubs (Thunderbirds, Balancers, Wheels, etc.) cannot be worn at school, why is it then that at GRADE SCHOOL level the law can't be laid down to the little ones. For that is what they ARE. We are trying to make them into Little Adults.

WHILE WE'RE on the subject, there's the matter of about 18 dances this term for the Seventh Graders who were almost "orphans" w/NOTHING last year. The Cotillion (w/7 dances) & the school dances (numbering about 5 or 6) all falling on Friday & Saturday nights should more than suffice the social schedule, but the twelve-year tradition of mid-week dance class INSTRUCTION, however voluntary, only adds more pressure w/its superfluous & psychological significance.

Most Moms agree tradition should be broken & the dance instruction done by day, rainy day, any day, but not at night-time. No homework is given & for those who do or don't attend, there is a lost evening of learning something new. Besides one-two-three step. Amen!

If you have any opinions on all this, please drop a note or call me. It isn't happening exclusively here, apparently, for I've heard from concerned mothers all over the area. Mainly about the Pom-pom stuff. Come climb upon the soapbox w/the rest of us. . . .

People-Watching . . .

THE PINK DOOR, that local pretty-up parlor, has a new holiday dress of red & white striped interior . . . & have you, by any chance, perused the precocious primer authored by owner Jimmy Barnes. It's called "The Backward Behavior of Ballet Mothers & Their Budding Ballerinas" . . . Sure shakes its finger at Ma. . . .

SIGN ON SAFEWAY this week: "For Sale, 1,000,000 apples" & were you one of the early birds who had your first bite of buffalo meat?

PEOPLE WATCHING: Betty Slattery matching a button to a handsome new handknit angoraish sweater . . . Last-Minute Mothers & Dghts, for seventh grade sewing equipment scouting around town for zippers, material, pattern, etc. Betty Partell & her Sherry, Kathy Creagmile & her mother . . . Pat Maggini & her lass. . . .

At Wright's Nursery Sale, Artist Blanche Brody practically bursting over her buys—a fig tree & a tangerine bush just LOADED w/fruit. . . .

Loretta Denning muttering about diets & picking out a pecan pie for dessert . . . David Hackett, Mr. Hackett, that is, walking his bike up El Toyonal. . . .

A FRESHLY-painted apple green mailbox, w/Stanley Jackson inscribed thereon (at the foot of Camino Del Cielo) to welcome home from a Carmel honeymoon, the newlyweds, Doris (Scott) & Stan Jackson. A full house of FIVE children now!

After a Sunday of tennis, Betty Chilton in her white shorts up to HERE & her Professor Higgins sweater down to THERE, buying the makings for a mock ravioli dish.

Jim Davison taking flash pix of friends outside Lucky's . . . Optometrist Ben Gaynor kibitzing w/Matt at closing time at the Village Barber Shop. . . .

BIRD-WATCHING Billie Bowles couldn't believe her eyes so Barbara Bedayn, our local expert, said yes, believe it or not, that exquisite bird is a black-throated blue warbler, rarely seen in these parts & obviously migrating East to its home in Massachusetts. . . .

THEN THERE was Cecile Ambler poring avidly through "BRIDE'S magazine," & what better place to get ideas for the home wedding planned for dght. Babette who'll be wed Dec. 20 to David Bruce Jackson, a Stanford man, to whom she recently announced her engagement.

Which brings to mind mistletoe (brides & Christmas) & there, now I'm giving you the answer before I tell you the children's favorite riddle of late—"If athletes get athlete's foot, what do spacemen get?" Yes, yes, that's it! Mistletoe, what else?

MEDALLIONS, please, to dance teach Winnie Gilmore & artist Doris Fraser who, however busy, busy they are these busy days are taking time to teach dance & art to the kids at Juvenile Hall . . . Jean Henderson who's lending her helping hand, too, & Dee Costa likewise, are looking for outgrown leotards, sizes 4-10 for the dance classes. If you can help w/a donation, call Dee Costa & she'll arrange for a pick up. Her number, CL 4-3435.

SCALLIONS to the litter-thugs who absconded w/too many of our daisy-decorated cans about town . . . (Alright. Now that summer's over, you don't need them for icing the beer, so while nobody's looking, please, please to put them back!)

WHO FORGOT to put the flag out on Veteran's Day at the Orinda Library?

Linden Branch members of CHEB will entertain w/their traditional Candlelight Tea at the charming Parker chalet home on Rose Lane Dec. 6 from two to five. . . . The exquisite hand-made candles by Eva Parker will be displayed.

Klein Appointed Gen'l Manager Radio Station

Milton H. Klein of 181 Ardith Court general manager of radio station KEWB has been elected president of the San Francisco Radio Broadcasters Association for 1962.

Klein was one of the founders of this organization two years ago and has been on the board of directors.

The group, which comprises radio stations in Northern California, is dedicated to telling the story of exciting Bay Area radio to the country's advertising leaders.

During the first year of the association's existence, Klein's personal project was the development and production on an elaborate sales presentation which was delivered in 10 key U. S. cities.

A NEW LANGUAGE laboratory was recently installed at Miramonte High School. Miss Greta Gordon, right, explains the master controls to students, left to right, Sue Chilton, Belinda Gunn and John Caruthers. The master control operates 32 student booths equipped with head phones. Dave Ogden photo.

VILLAGE SQUARE Casuals, 17 Orinda Way, is one of Orinda's attractive new shops. Featuring casual and cocktail clothes for teens and adults, Village Square Casuals also has lingerie, jewelry and handbags. Attractive Joan Diricks, pictured at left, models each Saturday at the shop at 1:30 p.m. Admiring Miss Diricks' costume is Mrs. Nan Barich, owner of Village Square Casuals. Sun photo by Bob Boykin.

Indian Story

The history of the American Indians were discussed by Mrs. John C. Farmer, committee chairman, at a meeting of the Mount Diablo Chapter of the Daughters of the American Revolution.

The meeting was held at the home of Mrs. William E. Stock, 309 Houston Court, Danville. Co-hostess was Mrs. John J. Schaefer, also of Danville.

Temperatures Drop Below Freezing Mark

Crisp, frosty mornings and evenings were the order of the weather for Orinda this week, but midday temperatures ranged as high as 76 degrees.

Here are the readings:

	Hi	Lo
Thursday	76	30
Friday	73	40
Saturday	62	38
Sunday	66	32
Monday	72	38
Tuesday	75	30
Wednesday	74	29

Where's the Fire?

Orinda Fire Department responded to the following calls this week:

THURSDAY — 6:15 p.m., rescue on Irving Lane.

FRIDAY — 6:41 a.m. housefire at 2 M ad rone Place, 12:20 lockout, Orinda Way.

SATURDAY — 1:40 p.m., grass and brush fire in Wildcat Canyon.

SUNDAY — 3:45 p.m., brush fire on Bear Creek Road; 4:32 p.m., grass and brush fire, Bear Creek Road.

MONDAY — 3:03 p.m., investigation, Vista del Orinda; 4:15 p.m., investigation, Sleepy Hollow Lane.

TUESDAY — 9:58 a.m., first aid, Altamira Drive.

Juchter Is Given Management Job

F. J. Juchter of 130 Don Miguel has been appointed manager of supply and distribution, a newly created department of California Chemical Company, it was announced recently.

Miramonte Acquires New Language Lab.

The language department at Miramonte High School has recently acquired a new language laboratory complete with 32 booths for individual practice and drill in German, Spanish, French and Latin.

Each booth is equipped with microphone, turntable, and headphones, and is connected with the teacher's central control panel so that study can be directed as needed. Both tape-recordings and discs may be used for practice and drill in use of the language.

ONE PHASE of the system enables the student to record his own voice on a magnetic disc placed on his turntable, in alternation with the teacher's voice,

so that he can play back and compare his own pronunciation with that of the teacher's. The teacher's voice is pre-recorded on tape.

Use of the laboratory allows extension of individual instruction in language classes and constitutes a controlled "self help" device for students.

Joseph Morel, head of the Miramonte language department, explains that "this new system is in no way intended to take the place of the teacher in the classroom, where essential instruction in the foreign language must take place."

THE LANGUAGE laboratory was financed jointly by local and federal funds, through the National Defense Education Act.

Longacre Keeps Stand Will Not Sign 'Oath'

Terming the "loyalty oath" a transgression of the Constitution of the United States, Joseph J. Longacre Jr., attorney, indicated yesterday that he would maintain his stand in refusing to sign the oath as it reads in full.

Longacre, recently appointed as commissioner to serve on the Orinda Fire District Board by the County Board of Supervisors, last week deleted part of the loyalty oath sent to him by the supervisors as affidavit of office.

He scratched out that part of the oath that said the signer would not advocate or join any organization which advocates the overthrow of the U.S. or state governments by force or violence.

RETURNING the affidavit to supervisors, Longacre sent an accompanying letter in which he stated his reasons for deleting part of the oath.

He wrote in part, "It is my feeling that one would have to be clairvoyant in order to predict what would or would not happen in the future."

"I am not possessed with supernatural powers, nor am I assured that our wonderful federal and state governments will remain a democracy. I am sure it would be a betrayal of my heritage if that last sentence were left in the oath."

Longacre added that he did not contemplate, anticipate or envision any act on his part to violently overthrow the present form of government, but that if "a situation should arise, as it did in 1776, you can rest assured that the same spirit of that year would carry me forward to do the same things that the illustrious founders of the nation and fathers of our Declaration of Independence and Constitution did, to wit, overthrow the existing government by force or violence or other unlawful means."

FIRST CHURCH OF CHRIST, SCIENTIST
Sunday—9:30 and 11 a.m. 11—9:30 and 11 a.m. R.R.—Daily except Sundays and Holidays—12:30. Mondays, 7-8 p.m. Wednesdays—8 p.m.

Dedication of Masonic Lodge Is Tomorrow

Dedication of the new Orinda Masonic Lodge will take place tomorrow at 8 p.m. at the lodge, 9 Altamira Road.

Conducting the ceremony of dedication will be the Most Worshipful Grand Lodge, F. & A. M. of California. Guy B. Mize, Most Worshipful Grand Master will preside.

CONTAINING 7,000 square feet of functional space, the new temple has a spacious lodge room and an auditorium to accommodate 400 people. There are also facilities for 300 persons at lunch and dinner meetings.

Available for community use, reservations for the building may be made by contacting Everett A. Ham, secretary Orinda Lodge No. 704.

Preliminary efforts to form an Orinda lodge were begun in January, 1948. The Orinda lodge was constituted in November of 1950. The site of the new building was purchased from the East Bay Municipal Utility District in October 1954.

GROUND was broken in July of 1960 and the first meeting of the lodge was held in the new, still unfinished building in May, 1961.

An open house was held in September as fulfillment of the plans were achieved by the combined efforts of the 203 members and the Orinda Masonic Building Association comprised of Brothers Harold Anderson, George Jensen, Joseph Conley, Jack Bailey, Ed Slusser and Wayne Littlejohn, who was the architect.

Lunch Is on The Table...

Menus planned for next week's luncheons to be served in cafeterias of the Orinda Union District include the following foods.

Monday: Arroz Espanol, Verde en salada, Pan pasa, orange juice bar.

Tuesday: Hamurger on buttered bun, sliced tomatoes, buttered corn, cherry cobbler.

Wednesday: Pizza pie, tossed green salad, Vienna bread, fruit jello.

Thursday: Thanksgiving Day holiday.

Friday: School holiday.

Milk is served with each meal.

Hospital - Raise \$225,000 Here - Get \$2½ Millions

Nearly \$75,000 of local money has been either donated or pledged to Walnut Creek's John Muir Hospital since the award of Hill-Burton Act federal and state funds raised hopes for construction of a \$4 million hospital with 150 beds.

Local residents had already contributed some \$270,000 when plans called for a less-expensive hospital with only 50 beds.

"This means," said Alfred Layton of Diablo, hospital finance committee chairman, "we have raised more than \$345,000 locally, and need to obtain in donations and pledges \$225,000 more to qualify for the federal grant of funds."

"IF THE LOCAL goal is reached," said Layton, "the federal and state contribution will be two-thirds of the total amount, or about \$2½ millions." "Loans will be obtainable for the balance of the local contribution, provided the necessary \$225,000 is raised. This is about 7.6 per cent of the entire cost," said Layton.

"This is a now-or-never thing, since we have until mid-February to raise the local money. If we don't reach it, no outside help, and the grant will lapse. It can't be renewed for 15 years. The estimated cost of the hospital, \$4,018,000, includes architects' fee, site preparation, cost of construction, equipment, supplies, landscaping, parking facilities, pre-opening expenses and working capital."

LAYTON is former president of the Mt. Zion Hospital and a past president of the Crown Zellerbach Corporation.

Dr. Frederick Hanson is the campaign chairman.

Layton continued, "Hill-Burton reclassification of this area to fifth from 42nd in priority this year shows the urgent need for additional hospital facilities in central Contra Costa County."

"Award of Hill-Burton funds to John Muir Memorial Hospital was based upon the quality of medical care its program offers the community," he added.

THE QUICKLY accessible 10-acre building site on Ygnacio Valley Road is already owned, and additional contributions are being received, says Layton.

Fund raising will continue to be kept at minimum costs. Expenses will primarily be for office space, buying supplies and one office worker for billing pledges, handling correspondence and hospital business.

No professional fund-raiser will be employed.

Already working with Layton on the finance committee are Lawrence Davitt of Alamo, Mrs. Harold C. Bates of Moraga, Eugene C. Harter of Orinda and Tony Cvietusa, Frank Marshall, Howard Sehl, Mrs. Frank Young and David Zuckerman of Walnut Creek.

IN EX-OFFICIO capacity is Dr. Fred M. Hanson of Walnut Creek, chairman of the hospital board.

Trustees are Edmund S. Barnett, vice chairman; Mrs. Harman K. Howard, secretary; Howard Sehl, treasurer; Frederick W. Ackerman, M.D., Ivan Chappell, Marvin A. Epstein, M.D., Howard B. Flanders, M.D., Eugene C. Harter, Alfred B. Layton, Mrs. Frank T. Malley, Frank A. Marshall, John A. Nejedly, Harold S. Robinson, M.D., David Zuckerman and Mrs. Harold C. Bates, ex-officio.

"Oddly enough, this time of year . . . with impending tax payments and annual charity drives . . . actually may be an auspicious time for this particular drive," said Layton.

"Taxpayers are urgently aware both of the need to avoid establishing an additional tax district on property tax rolls for needed hospital construction and of the many income tax advantages in various possible types of non-profit hospital contributions."

"DONORS beset with recurring commitments in annual charitable fund raising can appreciate this campaign for a strictly local project directly benefiting themselves . . . an effort which ends in February and need not be repeated, if successful," he said.

"And the rare opportunity to obtain with only \$225,000 more a \$4 million community hospital, opening with a payroll of some 300 employees, can be appreciated by businessmen."

"A convenient, efficient 24-hour emergency service has practical appeal for area industry, as well as private residents," said Layton.

John Muir Memorial Hospital office at 1361 Locust Street, Walnut Creek, is open five days a week to receive contributions and volunteer help.

Family Survival Courses Draw 'Fantastic' 400

Four hundred people attended the first meetings of the Acalanes Adult Education course, "Individual and Family Survival," which was initiated last week at each of the four high schools within the Acalanes District.

The courses will continue this week and the following three weeks, culminating in a 12-hour course of survival in a thermo-nuclear war.

On Monday night, 120 attended the first meeting at Las Lomas; 60 people attended the initial meeting at Del Valle on Tuesday.

At Miramonte, 80 people were registered on Wednesday night. Some 140 registered at the first meeting of the course at Acalanes on Thursday.

"Response to this course is fantastic," according to William Teutschel, director of adult education. "I thought the people in our district would be interested, but no one anticipated such a large turnout."

Director Teutschel explained that this same course was being conducted in other school districts throughout the Bay Area. To the best of his knowledge, this was the biggest enrollment in any one school district.

The course will continue at Las Lomas and Del Valle on Monday and Tuesday nights respectively and will end on November 27 and 28.

The course at Miramonte and Acalanes will continue as scheduled, but will skip next Wednesday and Thursday nights, because of Thanksgiving.

5000th Guest Honored

By CONNIE GOLDEN

A surprised Mrs. Gilbert Cochran, who had entered the Walnut Creek tearoom at noon to meet friends for lunch.

She was greeted enthusiastically by Mrs. Melvin Katzer, president of the Terrace.

Mrs. Cochran was then proclaimed the 5000th guest of the Terrace and honored in brief ceremonies.

AFTER enjoying a luncheon consisting of an Oriental specialty, salad, rolls and dessert, she departed with compliments on both the service and the menu.

The idea for a tearoom was born from the therapy center's need for a steady source of income.

The irregularly spaced fashion shows, teas and parties held by the 17 units of the center did not provide a predictable flow of funds.

SUGGESTIONS which would also fill a community need were made by unit members. One idea, that of a tearoom in the Walnut Creek vicinity, kept recurring.

This plan was eventually adopted, even though it required a large financial investment and many hours of volunteer help.

Actually the community itself helped to sponsor the Terrace in much the same way as it had the Therapy Center. Help came from local merchants and businessmen.

The location at 1475 East Newell Avenue near the Broadway Shopping Center was selected. The organizing committee decided on a Victorian decor and purchased equipment and dinnerware to complement this theme.

UNIFORMS in pink, accented with green and purple, were

A FRIENDLY atmosphere goes with the food at the Mt. Diablo Therapy Center's Terrace Tearoom at 1475 East Newell Avenue, Walnut Creek. Guest No. 5000 is Mrs. Gilbert Cochran, at right, shown with Mrs. Melvin Katzer, left, and Sun photo by Bob Rush.

designed and executed by Mrs. James Seaman of Orinda.

Volunteer unit members were trained to wait on table and assist the cook.

Finally, advance notice of the Terrace's opening was sent to many organizations in the area. The opening date was June 5.

Some 4999 luncheons were served prior to November 8. Throughout this "shakedown cruise" Mrs. Katzer has been assisted by Mrs. E. P. Ward, vice president; Mrs. Gerald Clark, second vice president; Mrs. Donald Johnson, secretary; Mrs. Robert Spitzack, treasurer; and Mrs. Phillip Lees, promotion chairman.

EACH of these ladies spends one day a week as tearoom manager in addition to attending all meetings concerning the operation of the Terrace.

The Terrace serves luncheon daily, except Sunday, from noon until 2 p.m., and the "coffee hour" starts at 10 a.m.

The facilities of the Terrace may be used by any group for a meeting or bridge party until 4 p.m.

Monday is fashion show day at the tearoom, with a different local shop displaying its clothes each week.

Art-in-action features are held each Friday during the luncheon hour, and usually the works

of the artist are exhibited and sold at the Terrace.

ANOTHER new feature of the tearoom scheduled for January will be a series of beginning bridge lessons from 9 to 11 a.m. in the morning.

The Terrace is also attracting other volunteer groups. In the near future both the local Chi Omega alumnae group and the Pandora branch of the Children's Home Society will hold a luncheon meeting at the tearoom.

The center offers complete physical and occupational therapy programs in addition to speech, audiology and psychological testing.

Burglars Almost Clean Out Lafayette TV Store

Burglars made off with more than \$2000 in merchandise from a Lafayette TV store last Thursday, sheriff's deputies reported.

Margus Breedlove of Oakland reported the burglary when he arrived at the Lafayette TV and Electronics Shop, 3620 Mt. Diablo Blvd., last Friday morning.

He told deputies that he had closed the store at 6 p.m. the previous night.

Breedlove noticed that a large part of his display merchandise was gone when he arrived at the store.

A thorough inventory later revealed that the following items had been taken: five TV sets, four phonographs, one tape recorder, two intercom systems, 13 transistor radios and six clock radios.

THE estimated total value of the missing merchandise was set at \$2017.

Deputies said that at least two persons were needed to lift some of the heavy merchandise taken from the store.

A window was broken and the cracked pieces removed from the pane to gain entrance to the building. The burglars then climbed through the window and pried off the lock to the rear door.

Deputies said a vehicle, possibly a pickup truck, must have been parked at the rear entrance of the building and the merchandise carried out through the rear door to the vehicle.

Four other burglaries were reported to the sheriff's Lafayette sub-station in the past week.

John L. Bradley of 69 California Street, Orinda, told deputies that two sets of golf clubs and a golf cart were taken from his garage sometime last week.

HE estimated that two sets of clubs were valued at \$300.

Bradley said a large quantity

of hand tools also in the garage were undisturbed.

Roy J. Heffner reported that a hand saw, sleeping bag and fishing equipment were taken from his garage at 1081 Brown Avenue, Lafayette.

Another power drill and a new electric belt sander were not taken, he said.

The missing items were valued at \$25 to \$35 by Heffner.

J. F. Violette of 76 Southwood Drive, Orinda, told deputies that someone had used a hidden key to open a cupboard and make off with a \$100 power saw.

Other drills and tools were left in the cupboard, he said.

Violette said the cupboard key is left at the top of cupboard and the burglar apparently knew right where it was.

AN EXTENSION cord for the saw was also taken.

Walter Xavier of Alamo, owner and operator of Xavier's Store at 123 North Hartz in Danville, told deputies that approximately \$130 was taken from two cash registers.

The burglar entered through an unlocked trap door on the roof after climbing up on a ladder left leaning against the building.

The two cash registers were not locked.

TB Group Hears Speaker

Tuberculosis and health association volunteers and directors heard Mrs. Dalrie Lichtenstiger, executive director of the state tuberculosis and health association yesterday, the opening of the 55th Annual Christmas Seal campaign.

Mrs. Lichtenstiger spoke on the "Community's Responsibility for TB Control."

Obituaries Williams

Funeral services for Lawrence F. Williams of 2424 Casa Way, Walnut Creek, were held at the Ellis-Olson Mortuary, Albany.

Mr. Williams, a former mayor and councilman of Albany, died at his home.

He was elected to the Albany City Council in 1939 after serving as a school trustee for four years.

He became mayor in 1942, and was re-elected in 1947, resigning in 1948 to move to Walnut Creek.

Mr. Williams was a retired Pacific Telephone engineer and a member of the Telephone Pioneers.

He was a past master of Indian Rock Lodge No. 638, F&AM.

Survivors include his widow, Mary; a son, Lawrence of Pleasant Hill; a daughter, Mrs. Doris Kammerer of Washington; two sisters, Mrs. Mabel Lingard of Berkeley and Mrs. Venita Greenhalgh of Woodacre.

C. J. Herman

Services will be held today at 1 p.m. for Colonel Clayton J. Herman at Hull's Walnut Creek Chapel. Dr. Louis Gottschall will officiate. Burial will follow at San Francisco National Cemetery in the Presidio.

Colonel Herman died Monday at his home, 1458 Estrada Verde, Alamo. He was 72. A resident of Alamo for 13 years, he was a retired colonel from the United States Army. He worked as an accountant for the past 12 years.

The deceased was a life member of the Webster, New York, Masonic Lodge and a member of the Lafayette Rotary Club.

He is survived by his wife, Doff Royal Herman.

Faye Butler

Funeral services for Mrs. Faye E. Butler, 60, of 689 El Pintado Road, Danville, were held in the San Ramon Valley Chapel, Danville.

Mrs. Butler was a member of Danville Rebekah Lodge 123, a past district director of Rebekahs, a member of the National Grange and the Christian Science Church, and of the Ka-Ba-Tin Women's Club, Clear Lake.

Survivors include a daughter, Marie Clark of Oklahoma, and two brothers, Patrick Murphy of Montana, and Edward Murphy of Arcata.

Cornett

Funeral services for Nathaniel L. Cornett, 82, of 2015 Danville Highway, Walnut Creek, were held Tuesday in Hull's Walnut Creek Chapel.

Mr. Cornett was a retired plumber.

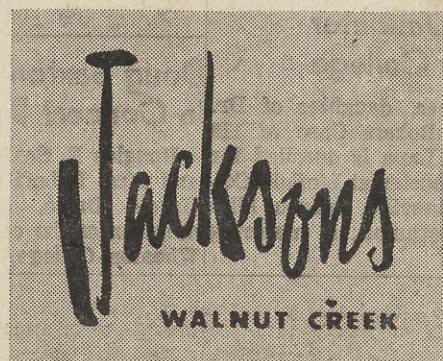

Survivors include sons James of Walnut Creek, Robert of Fairmont, William of Richmond; daughters Mrs. Ethel Majors of Oklahoma, Mrs. Vontell Price of Oakland and Mrs. Phyllis West of Concord.

There are 16 grandchildren and 10 great-grandchildren.

Schuchman

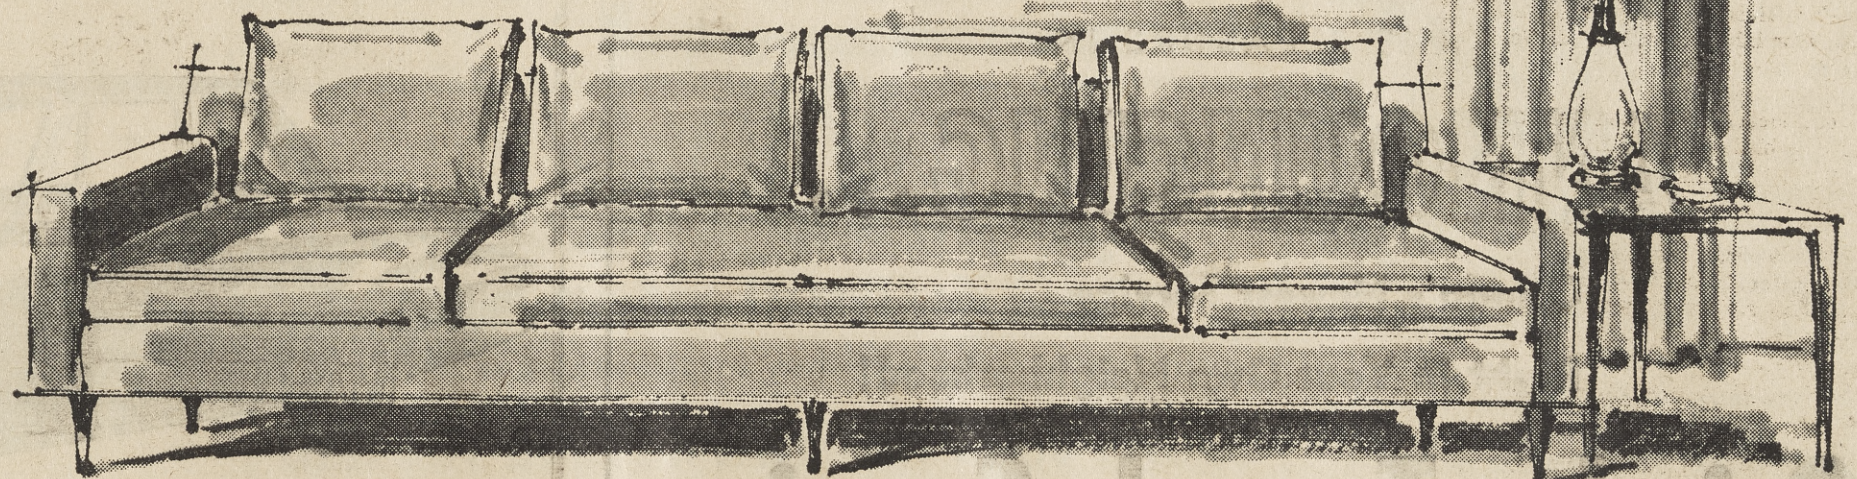

Private services for Mrs. E. Marie Schuchman, 70, of 1599 Hillgrade Avenue, Walnut Creek, were held at Hull's Walnut Creek Chapel.

A local resident for 10 years, Mrs. Schuchman is survived by a daughter, Mrs. C. W. Thompson; a son, Bertram, both of Walnut Creek; another daughter in Pennsylvania; two sisters, including Mrs. A. J. Newell of Los Angeles and four grandchildren.

Newcomers Are Planning Dinner-Dance

Moraga Newcomers Club is December 1. A six course dinner is preparing for a dinner-dance at planned. Cost is \$7 per couple. Mike Lynne's restaurant on De- All residents of the area are

invited. Reservations may be made before November 22 by calling Mrs. Wallace E. Hyde Jr., DR 6-5764.

The Newcomers Club was formed to give all new residents in Moraga the opportunity to become better acquainted in the community. Coffees are held once a month to enable individuals to learn about the activities of the club.

Anyone interested in attending one of these coffees may contact Mrs. Vincent Keilman, DR 6-4803. Meetings with varied programs are held at the Old Moraga School the first Tuesday evening of each month.

Orinda Girls to Show Ski Togs

Future ski patrollers, Joyce Odenthal and Julie Noller of Orinda, will model ski clothes for a series of orientation programs given by the East Bay Ski Patrol and the YMCA.

The three sessions will begin November 28 in the Claremont Junior High School Gym, Oakland from 7 to 10 p.m.

The Sociables

By MARIE MONAHAN

LIKE MORE THAN a long peek at Marco Polo's treasures was the preview evening last Friday night for Christmas Cargoes, the benefit for the Legal Aid Society hosted by a community combine of Lawyer's Wives, Children's Hospital of the East Bay & the Legal Aid Society & held in Jack London Hall.

A formal French garden frothing with paper flowers was fashioned by an industrious group of ladies called the decorating committee and member of same, Mary Gray, was heard to tell that 30 bolts, 500 yards each, were used to create the crepe paper roses constructed into wreaths, garlands & French topiary trees. In fact, the result was so rosiely riotous that a v.i.p. from the crepe paper company came on deck at the Jack London Hall to photograph the floral fripperies.

THE GALA array of giftwares, all imports of unique and exceptional variety, played no second fiddle, however, to the decorations. A large throng of guests mingled amidst a magnificent display of tempting merchandise.

Jeanne Angell of Lafayette chairmanning the Alfred Nipkow booth... Jeanne & her attorney husband Phil, dined earlier at the Women's Athletic Club w/former Happy Valleyite Bea Hoover who now lives in San Francisco... Orinda Sally Wiser escorted by John Baker... Attorney Bob Davis & his wife Pat among guests stopping to admire the floating birds in the gilded cage, a suspended mobile festooned w/paper rosettes.

JUNIOR LEAGUER Betty Richards & her husband Joe w/French Vice Consul & Mrs. Louis Vormes... Betty, Preview party chairman, wearing a white chiffon skirt w/a silver lame top...

TV personality Jeff Donnell, here to commentate the White House fashion show which helped to launch the Cargoes, was a houseguest of the Nathan Grays of Orinda who entertained beforehand for the star & her handsome husband, John Bricker, a v.p. of Foremost Dairies.

A CROWD of 60 gathered at the Spring Court home of the Grays to lift "legal" libations to the gala preview night in the Grays downstairs lanai... The Austin Littles, the Harold Powells, Eleanor & Jim Funk, the Rudolf Westlyes & Virginia & Jack Snow among the localites in attendance.

MORE of the group at the Grays going on to Mike Lynns for dinner before heading for Oakland's Jack London Square were the Don Dotys, the Jackson Davises of Lafayette, the Paul Mays, Samuel Wagners & Burchard Styles.

DRAMATIC furs & gala holiday clothes were featured in the fashion show while the new dance craze, "The Twist," had more than a few takers when Walt Tollefson's combo played for dancing in the Starboard Room. The "shopper's show" remained open to the public through last Tuesday night chalking up another success for the Legal Aid Society.

BEFORE their recent departure to the Orient, Verla & Don Krotz were honored at a dinner party hosted by Peg & Stan Majka. The well-known couple will return home in time for their own Christmas tree.

Principal to Attend Regional Conference

James A. Lewis, principal of Miramonte High School, has been invited to attend the White House Regional Conference on Domestic Affairs, in San Francisco, Monday and Tuesday.

Lewis will participate in an all-day program of discussions on "Youth Problems and Problem Youth," and Expanded Opportunities for Youth. The regional conference is preliminary to a national conference of the same nature which will take place in Washington, D. C.

Cases' Daughter Attends College

Mary Case, daughter of Dr. and Mrs. Robert Case of 118 Lombardy Lane is enrolled for the fall semester at Linfield College, McMinnville, Oregon. Miss Case, a freshman, is majoring in English.

Family of the Week

A LEISURELY Sunday for the Philip Fields family starts with worship at the Shepherd of the Valley Lutheran Church, from which they had just returned when photog Bob Boykin turned up at their door. Ruth is president of the Women's Guild of the Lutheran church; also current chairman of Lombardy branch, Children's Hospital of the East Bay. Philip Fields, a stockbroker with Hooker & Fay's Walnut Creek office, serves on the board of directors of the Sleepy Hollow Improvement Association. Ruth, an Ohioan, and Philip, a New Yorker and graduate of Harvard Business School, met on campus at the University of Michigan. Both are bridge addicts (once copped Lombardy Marathon honors) when they aren't cheering son Greg, a Miramonte freshman who plays football for the Thunderbirds, or trying to keep up with the latest doings of son Doug, a Miramonte senior. The family lives at 78 Van Tassel Lane.

Oak Springs Home Assoc. Elects Officers

Mike Ball of 2 Spring Court was elected president of the Oak Springs Home Association at a recent meeting of the membership.

Others elected are: John Maier, vice-president; Dave Iventosch, Mel Graham and Len Walde, directors of the board. Iventosch is the retiring president.

Oak Springs Home Association owns its own pool, grounds and recreation center and each year makes substantial improvements to the existing facilities, according to W. N. Gordon, publicity chairman.

During the past year a new

heating system was installed in those not residing in the area. Plans for the year include the pool. Those residing in the area are eligible for regular membership, Gordon said, and a limited number of Association memberships are available to sons and sports events.

Village Has New Travel Service Office

Glamorous this week with a display of authentic Twali lights and a model of the Taj Mahal in honor of India's Festival of Lights, the Orinda Travel Service is ready every week to serve those traveling near or far.

Located at 41 Orinda Way, Orinda Travel Service has the added attraction on an acre of parking.

Owners Pat and Bill Sergeant, area residents for 15 years, are planning a gala open house at the office about December 1. Honored guests will be representatives from all the major air-carriers, steamship lines and railroads.

Mrs. Georgia Curtis, with 16 years experience in the travel business is manager of the new service. She is also an Orinda resident. Marilyn Connor, who has just returned from three months in Europe is also on the staff and has five years experience in the business.

The office is open 9:30 to 5:30, Monday through Fridays and from 9:30 a.m. to noon on Saturdays. The number to call is CL 4-3715.

Realtor Speaks

Dave Robinson, Berkeley real estate broker and University of California lecturer, spoke on "Estate Planning" at the Contra Costa Real Estate Board's multiple listing service breakfast, Monday.

350 Hear Plan For Sun Jubilee Trip to Europe

Interest ran high at the Sun Evening of Travel Wednesday night at Acalanes High School when more than 350 residents of the Diablo Valley area heard about the Jubilee Trip to Europe planned for this summer.

Herman Silverman, Sun publisher, opened the meeting, saying that he had long wanted to do something of unique interest to commemorate the 25th Anniversary of The Sun.

The Jubilee trip, he said, will enable people from this area to see Europe comfortably and without undue expense. During the Evening of Travel entertainers Art and Jo Brayfogle took their audience for a musical trip around the world. Guests were shown movies of Rome, which were highlighted by specially composed background music.

Participants in the Jubilee Trip to Europe will leave San Francisco June 14.

They will travel in The Netherlands, Germany, Austria, Italy, France and England, with optional side trips offered along the way.

Anyone interested in further information about the trip may call the Sun office, 284-4444.

BOILED

In Biblical days, a common method of cooking meat was by boiling, and often the meat was boiled in milk.

Court Orders Youth Sent To Hospital

Commitment to a state hospital for mental patients was ordered for Warren S. Leslie, 19, of 358 El Toyonal, early this week by Superior Judge Martin E. Rothenberg.

The youth was charged with felonious assault after a fracas with highway patrol officers Darwin Olson and Alex Sabo. Leslie sideswiped a car after driving down El Toyonal without lights and was halted by the officers.

He seized Olson's gun from its holster as the patrolmen were attempting to subdue him. He pumped two bullets into the ground as his gun hand was forced downward by officer Sabo.

The court, finding that Leslie is mentally incompetent, has ordered criminal proceedings suspended.

Triplets Are Expected by Orinda Family

Seven "little pitchers" are of no use at all when it comes to keeping a secret if it is left to Mrs. Barbara Lincoln of Orinda to decide.

For her secret—that she is expecting triplets—has been generously disclosed by at least one, or all of her seven children.

She was quoted as saying, "My going to have triplets is the most widely spread secret in Orinda. Each of my children suspect the baby has told his or her grade at school all about it."

Mrs. Lincoln and her husband, William, a senior flight engineer for Pan American World Airways, live with their seven children at 2 Kittiwake Road. The children range in age from 17 years to 18 months.

Orinda Library Is Featuring Needlework

The Orinda Library Gallery is featuring an exhibit of "Stitchery" by Penny Kermit through November 27.

Mrs. Kermit makes her home in Orinda with her husband, Mark L. Kermit, and their two children. She studied at Hunter College in New York and at San Francisco State College.

The exhibit will have a special interest for women interested in needlework and creative stitchery according to Friends of the Orinda Library, sponsoring the collection.

THEATER ARTS CLUB members from Miramonte High School (left to right) Harry Nichandros, Kathy Cortese and Linda Beretto post announcements of the activities of the club with their teacher and coach, Mrs. Marjorie Braumoller. As a field project the group is visiting backstage in theatres in San Francisco on Thursday evenings.

Archeologist Will Tell of Calif. Indians

Freddie Curtis, consulting archaeologist and resident of Orinda will present a program on "Indians of California," November 25, from 10 a.m. to 12 noon, in the Fellowship Hall of the Orinda Community Church.

On display will be Indian utensils, jewelry and relics. The talk will be at 11 a.m. at which time Mrs. Curtis will tell of California Indians and the admirable way in which they lived.

Mrs. Curtis, formerly archaeologist with the Southwest Museum in Los Angeles, has served as archaeology research assistant for the University of California at Los Angeles in archaeological digging for the Department of Natural Resources for the State of California.

Children are especially invited, and adult must be accompanied by at least one child.

The program is being sponsored by the Orinda Council for Civic Unity. The council also sponsored the anthropology seminar given by Mrs. Curtis during the summer for interested residents.

Dick Held Goes Around the World

Richard B. Held of 6 Camino Del Cielo and manager of Capwell's El Cerrito Travel Service, left this week for a month's tour around the world as the guest of Scandinavian Airlines.

In his status as a silver Viking Club member he has been invited to join SAS on their inaugural DC-8 jet flight which departed from Rome yesterday via Teheran, Karachi and Calcutta to Bangkok.

Hats Off To...

Emmy Lou Fullerton A Busy Newcomer...

A WARM WELCOME, please, for newcomer Emmy Lou Fullerton, a member of the board of directors for the Greater Mt. Diablo Chapter, American Red Cross and volunteer Public Information chairman for the same organization.

No newcomer she, however, to community activity, for during a past long residency in the East, she was up to her elbows in philanthropic work, volunteer duty, women's clubs . . . and as the mother of two daughters (both now married) the usual scouts, PTA etcetera.

Together with her husband Donald C. Fullerton who is district manager for Wearever (a member of the Alcoa family), Mrs. Fullerton is relishing the brand new residency here, has joined the Orinda Community Church, the Newcomers Club, and for her own activity, membership in the Kappa Kappa Gamma alumnae group.

THE TWO TRANSPLANTS are travel bugs with Europe and the Caribbean among their most recent souvenirs. According to Mrs. F., "we still have to take up gardening which, in California, is inevitable, I guess" . . .

The graduate engineer (University of Pittsburgh) has rolled up her sleeves for the sizable task of writing news and radio releases for the local chapter of Red Cross and finds her role in this new community "just like home," that being New Kensington, Pennsylvania (home base for Alcoa) where the Fullertons lived twenty-five years prior to their move here on Altamira Drive. WELCOME!

Gay Parties Follow Last Football Game of Year

By ANN LINCOLN and KITTLY MIKA

Tom Gaffaney was really knocking 'em dead at the last football game of the year Friday night. With a great deal of help from Tom, the Mats slaughtered the Bulldogs, 39 to 13.

Tom let go with his first touchdown pass to Bobbie Williams, and his second to Rick Cannon. Dean Hilger ended the first quarter with an eight-yard touchdown run, racking up a 19-to-0 score.

Tom threw a pass to Dean in the second quarter for a fourth touchdown. In the last quarter two of Tom's aerials went to Mike McQuaid and Stan Silva to bring the score up to 39. The grand old Alma Mater has never been sung so loud!

ENJOYING the gaiety and glory the game had inspired, at the St. Steven's dance were many Matadors. Among the couples there were Gary Holtwick and Connie Kroll, Fran Obreck and Johnny Valpreda, Connie De Laveaga and Doug Dermitt, Doug Hamilton and Mimi McGah, Tim Louthier and Debbie Baird, Dwight Thompson and Mary Baker, Jo-Anne Warner and Ron Kay.

Les Conkin held a party Friday night. Some of those attending were Sandy Coates, Sue Hicox and Bob Walling, Sheridan Stampley and Ernie Kahl, Nancy Baker and Fred Neighbor, Mike Fallentine and Sue Lettwich, Lande Chilton and Toni Brothers.

A spur-of-the-moment slumber party had a certain house at 10 Meadowpark Court in shambles Friday night and Saturday. Some of the guilty ones were Pat Kelly, Linda Sears, Sharon Nielson, Mary Baker, June White, Nancy Bregar, and Linnet Trefts.

SATURDAY morning Miramonte's muddy speedball field saw quite a bit of action. What started out to be a peaceful speedball game between some senior girls, turned into a messy mudball fight. Those involved were Bette Schoppe, Sherry Odenthal, Marc Jacobs, Bonnie Kent, Kathy Beconcini, Carolyn Coburn, Carol Gilmore, Carol Troy, Nancy Englehard, and Cherri Romer. The girls gave themselves and their cars showers at Cherri's and then enjoyed breakfast at Nancy's house.

Cal's stands saw a few Miramonte people at the game Saturday afternoon. Among them were Mike McQuaid, Bruce Nickerson, Bobbie Williams, Griff DeWitt, Brad Peters, Sue Nattress, Mike La Plant, Nancy Bregar, Karen Stafford, and John Lackey. Brad Harlan, Jo-an Scholberg, Jackie Edenholm, and Paul Scholberg went to San Francisco Saturday night. They enjoyed dinner and saw "Breakfast at Tiffany's."

Saturday afternoon the Vireo's held a fashion show at the Masonic Temple modeling clothes from Ogdens. Some of the Vireo models were Linda Kooreman, Sue Wagner, Lee Carrieries, Trish Hess, Joanne Elkington, Carol Lou Rich, and Marian Neff. Presidents of the other clubs were also asked to model: Debs, Diane Davidson; Ailanthus, Kitty Mika; Bobbies, Judy Hopkins; Dianans, Suzanne Portello.

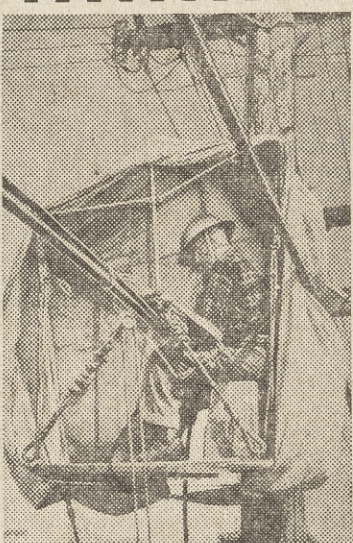

KATHY ADAMS and other frosh girls were seen building a glass-bottomed raft by Lake Cascade! Leave it to the freshmen to think up SOMETHING new to do around Orinda!

A party was given at the McCosker ranch by Roger last Saturday night. The couples there were entertained by Russian symphonies it seems.

WHAT'S DOING

Howard Greenhalgh, your Telephone Manager in Orinda

Those tents you occasionally see on telephone lines may have set you wondering what sort of mysterious operation was going on inside. Actually, it's no mystery. The tents are simply protection against rain, wind, or hot sun for phone men splicing cables together.

It's one "undercover job" that helps assure the dependability of your phone service, since tents like this allow us to make cable repairs in

just about any kind of weather.

Do you know how the telephone company helps bring you network TV?

From a studio, a network television program is sent first to a telephone company TV control center like the one shown at right. From here, the television picture speeds along a network of special telephone circuits to stations in other cities for broadcasting to homes. At check points across the land, the program is carefully watched on monitoring screens. Highly trained telephone men check constantly so you'll get the best possible picture on your television set.

In this way telephone people help bring you television from the entertainment capitals of the nation.

Remember the first portable radios? They were giants compared to the tiny pocket-size models so commonplace today. The invention of the transistor by the Bell Telephone Laboratories helped make smaller radios possible.

That was in 1948. Today, transistors are used throughout the telephone industry and in everything from hearing aids to satellites.

Go to Church Sunday

PRESBYTERIAN

Morning worship service for the Moraga Valley Presbyterian Church is held at 11 a.m. at the old Moraga School.

Dr. Ronald T. White has chosen as his Thanksgiving Sunday sermon, "Let Us Give Thanks." Special Thanksgiving music will be sung by the choir led by Mrs. Harriet Standring.

Church school is also held at 11 a.m. in the manse under the leadership of James Roberts. High School Westminster Fellowship will meet at 6:45 p.m. Sunday in the home of the sponsors, Mr. and Mrs. William Graff.

Adult Bible study groups will meet at 10 a.m. and 8 p.m. Wednesday.

EPISCOPAL

"The Unity of the Church" will be the sermon given at all services of St. Anselm's Episcopal Church, 682 Michael Drive, by Reverend Stanley Smith.

There will be 8 a.m. holy communion; 9:15 family service and church school and 11 a.m. morning prayer and holy communion. Medweek holy communion will be held Wednesday at 8 a.m. in the church.

Thanksgiving Day, St. Anselm's will hold a special service with St. Stephen's at 10 a.m. at 12 Via Las Cruces, Orinda. The choirs from both churches will sing together.

There also will be an 8 a.m. Thanksgiving holy communion at St. Anselm's.

CONGREGATIONAL

"For God So Loved the World" will be the subject of Reverend Chauncey Blossom's sermon at the 9:30 and 11 a.m. worship service at the Orinda Community Church. Special music will include "Sing to the Lord of Harvest" and "Now Thank We All Our God."

Church school classes will be held during each service for three year olds through eighth grade. A class for ninth and tenth graders will be held at 9:30 a.m. only. Child care will be provided.

Senior and Junior Pilgrim Fellowship will meet together for a potluck supper in Fellowship hall at 6 p.m. followed by special entertainment.

The annual Union Thanksgiving service will be held in the church at 10:30 a.m. Thanksgiving Day, with ministers from the various churches taking part in the service.

CHRISTIAN

"Giving Thanks" will be the sermon topic of the Reverend Darwin A. Mann at the 10 a.m. services of the Lafayette Christian Church. Church school classes for all ages convene at 9. Nursery care is provided for all services.

On Sunday evening the Chi Rho group for sixth, seventh and eighth graders meets at 4:30 and CYF meets at 6:30. Eight p.m. is the meeting time of the new Faith in Life group, which comes together for Bible study and prayer.

BAPTIST

"How to Live in a Time of Crisis" is the subject for the 7 p.m. service at the First Baptist Church of Orinda-Lafayette this Sunday. The Reverend Lawrence C. Guido, pastor, will speak.

At the morning worship service at 11 a.m. the pastor's message will be "Evidences of Thanksgiving." The choir, under the direction of Larry Hoyt, will sing the anthem, "If With All Your Hearts," from Elijah.

The deacons of the church will speak at the Thanksgiving eve service, Wednesday at 7:30 p.m. They will give a brief talk on "What Thanksgiving Means to Me."

The church is located at 4300 El Nido Ranch Road. Nursery facilities are available at all services; to which everyone is invited to attend.

BAPTIST

The Moraga Hills Community Church located three-fourths of a mile north of Rheem Center on Moraga Road, begins Sunday services with church school for all ages at 9:45 a.m.

The adult class is studying the Book of Acts. At the 11 a.m. services Reverend Bill Rose will have as his sermon subject "Thanksgiving."

Nursery is provided for both hours.

All are invited to remain after the church services for coffee and cookies and a time for fellowship.

LEGAL NOTICE

LEGAL NOTICE

RESOLUTION No. 1502
RESOLUTION GIVING NOTICE OF PROPOSED ANNEXATION TO CITY OF WALNUT CREEK OF UNINHABITED TERRITORY DESCRIBED HEREIN AND DESIGNATED "SOUTHEASTERN ANNEXATION No. 3" AND GIVING NOTICE OF TIME AND PLACE FOR HEARING OF PROTESTS THEREOF.

The City Council of the City of Walnut Creek does resolve as follows:

That, pursuant to the provisions of the Annexation of Uninhabited Territory Act of 1929, a petition signed by owners of not less than one-fourth of the land in the hereinafter described territory, by area and by assessed value as shown on the last equalized assessment roll of the County of Contra Costa, was filed with the Council of the City of Walnut Creek on October 13, 1961, requesting annexation of the hereinafter described territory to said City.

That the territory which the petitioners request be annexed to the City of Walnut Creek and which said City and its Council propose to annex, is situated in the County of Contra Costa, State of California, hereby designated "Southeastern Annexation No. 3" and is described in Exhibit "A" which is hereto attached and incorporated herein by reference.

That the County Boundary Commission of Contra Costa County, California, did consider the proposed annexation boundaries of said "Southeastern Annexation No. 3," as above described, and as submitted to said Commission by the proponents of said annexation and has made its report.

That on Wednesday, December 20, 1961, at the hour of 8:00 o'clock p.m., in the Council Chambers in the City Hall in the City of Walnut Creek, County of Contra Costa, California, is hereby fixed as the time and place when and where any person owning real property within the uninhabited territory above described and proposed to be annexed to the City of Walnut Creek, and having any objections to the proposed annexation, may appear before the Council of the City of Walnut Creek and

show cause why such uninhabited territory should not be so annexed to the City of Walnut Creek. The protest must be in writing, may be filed at any time before the hour set for hearing objections to the proposed annexation, and shall state the name or names of the owner or owners of property affected and the description and area of such property, in general terms.

The City Clerk of the City of Walnut Creek is hereby authorized and directed to cause a copy of this resolution to be published at least twice, but not oftener than once a week, in the Contra Costa Times, a newspaper of general circulation, published in said City of Walnut Creek, the city to which it is proposed to annex the aforesaid territory; and, unless said petition has been signed by the owners of all the territory to be annexed, also in the Lafayette Sun, a newspaper of general circulation published outside the City of Walnut Creek, but in the County of Contra Costa, California, the county in which is located the territory proposed to be annexed to the City of Walnut Creek, said publication to be complete at least twenty (20) days prior to the date set for hearing.

The said City Clerk is further authorized and directed to cause written notice of such proposed annexation to be mailed to each person to whom land within the territory proposed to be annexed was assessed in the last equalized county assessment roll available on the date the above said proceedings were initiated, at the addresses shown on said assessment roll or known to said Clerk, and to any person who has filed his name and address and the designation of the lands in which he has an interest, either legal or equitable, with said Clerk, such notice to be given not less than twenty (20) days before the first public hearing on the proposed annexation.

In the event any land within the territory proposed to be annexed is owned by a county, the City Clerk is directed to cause written notice of such proposed annexation to be mailed to the Board of Supervisors of such county, such notice to be given

not less than twenty (20) days before the first public hearing on the proposed annexation. In the event there is, upon the land proposed to be annexed to said City, a structural improvement owned, being acquired or leased by a county fire protection district, the City Clerk is directed to cause written notice of such proposed annexation to be mailed to the governing body of such district, such notice to be sent not less than ten (10) days before the first public hearing upon such proposed annexation.

The City Clerk is directed to cause written notice to be given to such other persons as may be legally entitled thereto, in the manner required by law.

Passed and adopted by the City Council of the City of Walnut Creek at a regular meeting thereof, held on the 1st day of November, 1961, by the following called vote:

AYES: Councilmen: Page, Marshall, Nelson, Case, Mayor Sanders.
NOES: Councilmen: None.
ABSENT: Councilmen: None.
/s/ FRED A. SANDERS,
Mayor of the City of Walnut Creek.

ATTEST:
/s/ ADELE C. LAINE,
City Clerk of the City of Walnut Creek.

I hereby certify that the foregoing Resolution was duly and regularly passed and adopted by the City Council of the City of Walnut Creek at a regular meeting thereof held on the 1st day of November, 1961.

ADELE C. LAINE,
City Clerk of the City of Walnut Creek.

EXHIBIT "A"
SOUTHEASTERN ANNEXATION No. 3

Beginning at the most westerly corner of the parcel of land described as Parcel Three in the decree terminating joint tenancy of Anna Motta, filed December 13, 1956, in the Office of the Recorder of Contra Costa County, State of California in Volume 2896 of Official Records at page 558, said corner being on the southeasterly line of Sierra Drive Annexation No. 2 to the City of Walnut Creek; thence South 33° 53' West along the southwesterly line of said Parcel Three and along the southwesterly line of Parcel Two as described in said decree (2896 OR 558), 178.60 feet to a point on the northwesterly line of the parcel of land described in the deed from Marye C. Smith to Ben F. Bauer and Gordon O. Omstead, recorded August 14, 1953, in Volume 3211 of Official Records at page 139; thence South 55° 47' West along the northwesterly line of said Bauer-Omstead parcel (3211 OR 133) to the most westerly corner thereof; thence continuing along the boundary of said Bauer-Omstead parcel (3211 OR 139) South 33° 10' East 196.42 feet and North 67° 40' East 209.81 feet to a point on the westerly line of Oak Knoll Loop Annexation No. 1 to the City of Walnut Creek; thence Northerly and Southwesterly along the boundary of the City of Walnut Creek to the point of beginning.
Laf. #426-11/17-24

SUBURBAN BIBLE

Sunday at the 11 a.m. worship service of the Suburban Bible Church, Rev. Gray Lambert will speak on the subject "Safety in the Hour of Trial."

At the same hour David Flagg of Orinda will sing.

At the 10 a.m. service Sunday the Sunday school will hold its first rally day service. A special assembly period will be held at 10 a.m. and recognition will be made of the class with the best proportionate attendance.

During the week the following activities are planned for the church family:

Tuesday—Ladies Bible class will meet at 9:45 a.m. at the home of Mrs. Alan Bartlett of Lafayette. At 3:45 p.m. the children's choir will sing.

Wednesday—Midweek prayer and Bible study will be held in the La Fiesta Shopping Center where the church holds its midweek services.

Friday—Suburban Youth Fellowship will play a basketball game at the Del Valle High gym at 4:30 p.m. Following the game the young people will go to a progressive dinner in the homes of the young people of the church fellowship. Those planning to come are asked to phone Bob Gillham or Steve Kosach.

JEWISH

Regular Friday night services will be held at 8:30 p.m. at the Contra Costa Jewish Community Center, 3800 Mt. Diablo Boulevard, with the topic of the sermon by Rabbi David Robins, "The Jew in English Literature."

Cantor Henri Goldberg will chant the service. A reception following the service will be given with Mesdames S. Kroff, K. Douglass and W. Elephant acting as hostesses.

On Sunday, at 8 p.m., there will be a lecture sponsored by the adult education committee by Professor Julian Towster of the University of California on "The Position of the Jew in Russian Society."

LUTHERAN

"The God We Worship" will be the sermon subject of the Reverend Merle L. Tollefson at the 8:30 and 10:30 a.m. Sunday services of Our Savior's Lutheran Church, Lafayette. Sunday school will begin at 9:45 a.m.

The mid-week Bible study will meet Wednesday at 8 p.m. at the home of Mr. and Mrs. Harry Behr, 378 Boyd Road, Pleasant Hill. Saturday at 10 a.m., junior and senior confirmation classes. A special Thanksgiving Day service will be November 23 at 10 a.m.

CHRISTIAN SCIENCE

The availability here and now of the healing power of the Christ, Truth, will be stressed at Christian Science church services this Sunday.

Christian Science Churches are located at 3422 Mt. Diablo Boulevard, Lafayette; 22 Orinda Highway, Orinda; 1437 Locust Street, Walnut Creek, and at the corner of Grant and Park Streets, Concord.

LUTHERAN

Reverend Albert S. Hidy, pastor of The Shepherd of the Valley Lutheran Church, 433 Moraga Way, Orinda, will conduct services on Sunday, November 19, 1961, at 8 a.m. and 11 a.m. Thanksgiving Eve services will be conducted by Pastor Hidy at 8 p.m. on Wednesday, November 21.

EPISCOPAL

Services at St. Stephen's Episcopal Church, St. Stephen's Drive and Las Vegas Road, Orinda, Sunday will include holy communion at 7:30, 9 and 11 a.m.

Confirmation for 50 people—including 43 young people and seven adults—will be administered at the 11 a.m. service. The sermon will be delivered by the Rt. Rev. James A. Pike, bishop of the Diocese of California.

The Senior Youth Group will meet at 7 p.m. Sunday at the church for folk dancing followed by folk songs.

Tuesday at 8 p.m. the Cottage Group will meet at the home of Rev. and Mrs. Melvin R. Brown, 2 Heather Lane, Orinda.

Wednesday there will be a service of holy communion at 10 a.m., followed by a service of Christian healing.

The congregation of St. Anselm's Episcopal Church in Lafayette will participate in the holy communion service at 10 a.m. Thanksgiving Day with members of St. Stephen's.

METHODIST

"We Can Be Thankful" will be the sermon subject of the Reverend George E. Berry on Thanksgiving Sunday at the Lafayette Methodist Church, 955 Moraga Road, Lafayette. Church school for all ages, including high school and adult, is held at 9:30 a.m. Worship services are held at 9:30 a.m. and 11 a.m. Child care is provided during both services.

The last in the series of the Fall School of Christian Living will be held Sunday at 6:30 p.m., in which the entire family is included in study classes, a family movie, and a fellowship time. All are cordially invited to attend. The youth groups for seventh and eighth graders, high school and college age, are included in the Fall School of Christian Living.

On Wednesday evening before Thanksgiving Day, a worship service will be held in the Lafayette Methodist Church for all who wish to attend and give thanks.

EPISCOPAL

"Where Is the Kingdom?" will be the sermon theme of the Reverend William J. Frankhuizen for the 9:30 a.m. Sunday service of morning prayer at St. Giles' Episcopal Church in Moraga.

Church school will be held at the same hour for children through the eighth grade. Nursery care for children under four years of age will be provided. St. Giles' Episcopal Church is located in Rheem Center adjacent to the Rheem Theatre.

Anniversary Is Celebrated

Two birthday candles burned on a cake made and presented to Brownie Troop 209 by Mrs. Thomas O'Ban to help celebrate the troops birthday recently at the home of the leader, Mrs. Fred Volberg of Lafayette.

The mothers were invited to share in the festivities as a small program of a ceremony, songs, and skits were presented. The following girls, who received their friendship and second year pins from their leaders, Mrs. Volberg and Mrs. D. J. Wilson, were: Susan Armstrong, Debra Larson, Jill Speyer, Lisa Vaughan, Chrissy Volberg, Pam Whittaker and Jeanne Tower.

MORAGA Valley Republican Women's Club held an installation of officers Tuesday at the home of Mrs. Charles Merlone, 1099 Sanders Drive, Moraga. Mrs. J. Byron Warner, left, is the new president. She is shown accepting the gavel from Mrs. Merlone, outgoing president.

Sun photo by Bob Rush.

Merriewood Addition, New School Okayed

Action was taken by the Lafayette School Board Monday night on two school construction projects, one—a new school on the Quandt site, the other—a five-classroom, instructional room addition to Merriewood School.

The board met in the district office.

Bids on the new school, located on Quandt Road between Stanley Boulevard and Pleasant Hill Road, will be heard by trustees at a meeting December 12.

School officials expect the new buildings to be completed in time for the opening of school next fall.

Six classrooms, a kindergarten, library, heating plant and rest rooms are included in the project.

Working drawings for the Merriewood School addition were called for by the board upon following approval of preliminary ones.

It is expected that the new construction will be completed by October, 1962 and will bring Merriewood to 14 classrooms and one kindergarten.

In other action, notices of completion of curb, gutter and sidewalk projects at Stanley and Lafayette schools were approved.

The board heard Miss Carol Erickson, district librarian, who reviewed the library program.

Fire Fighters Elect Rhoades

Robert E. Rhoades was elected president of the Lafayette Fire Fighters Association when the group met recently. He succeeds Marvin Lucas, who will serve this year on the youth sponsorship committee and as a member of the executive board. Others elected are Keith Durate, vice president; Rudolph De Mello, secretary-treasurer and Russell McFadden, recording secretary.

Members of the executive board are Joe Webb, Norman Savoy, Ronald Dixon, Richard Carrigan, Richard Thomas and Lucas.

New committee members are Russell Swanson, chairman; Thomas and Robert Frost, internal affairs; Duarte, chairman; Dixon, Donald Wright, Burton Anderson, wage committee; Frost, youth sponsorship committee; De Mello, publicity; Webb, chairman; Swanson, William Earley, recreation; George Zulim, health and welfare; Carrigan, education committee.

Four Earn Promotions

Four Lafayette residents have been promoted to key executive positions as a result of a reorganization in the marketing department of Ortho Division, California Chemical Co., a subsidiary of Standard Oil of California.

According to an announcement by Ortho President H. J. Grady, the new appointees include: W. E. Jaqua, 1142 Brown Avenue; Channing Jones, Jr., 4050 Marianne Drive; Dan Hogan, Jr., 549 Arrowhead Drive and C. H. Lupsha, who is presently building a home on Warwick Court.

W. E. Jaqua has been appointed national products manager-fertilizers. He began with Ortho in 1955 as manager of fertilizer sales, western region.

Channing Jones, Jr., has been named national sales manager, garden and home. He now will direct garden and home sales as a separate department with the over-all Ortho marketing operation.

Dan P. Hogan, Jr., has been appointed western regional sales manager, garden and home. He takes over as one of the three regional sales managers for Ortho under the national manager, Channing Jones, Jr., and will be responsible for garden and home marketing programs in the West.

C. H. Lupsha has been promoted to assistant national products manager-pesticides. He will assist the national manager, E. L. Stripling, Jr., in developing and carrying out a nation wide marketing program for Ortho pesticides.

Christmas Club Checks Are Mailed

A brisk holiday shopping season in 1961 was indicated today by Bank of America's announcement that it is distributing 1961 Christmas Club checks totaling \$74,381.75 to local residents.

C. B. Silvan, manager of the Lafayette branch, said 1961 Christmas Club checks were mailed to local depositors this week.

Distribution of savings in this area is part of \$71.5 million being sent out by the bank this month to almost 500,000 Californians. The average amount of each check is estimated at \$146.87, as compared to \$141.71 a year ago.

Our Fire Districts... Who Should Have Control...?

Should our first districts be under county jurisdiction, or should they be autonomous, as is the case with Lafayette and Danville?

This question is not as easy to answer as it may first seem. The fact that the choice is actually ours (and our commissioners) to make indicates that it should be given some serious thought.

Already the Orinda fire commissioners have expressed interest in such a move, and reorganization has also been considered by the City of Walnut Creek which has contemplated forming a municipal fire district.

What has been happening in the past? With the exception of Lafayette and Danville, which were formed under a different act, all our fire districts have been operating under county control. That is, the commissioners are appointed by the board of supervisors, and the budget must be approved by that board.

BUT IN ACTUAL practice, it has amounted almost to local control. The supervisors have not interfered with the operation of the local districts.

Until recently, when we had two cases of such "interference."

One involved the insurance carried by the fire districts. Traditionally, each district arranged for its own coverage, negotiating with its own agents. But suddenly, the supervisors notified the fire districts that henceforth they will have their insurance coverage arranged for by the county.

This took the local commissioners by surprise and, to say the least, upset them, because in many instances they had already arranged for their own coverage.

THE SECOND INSTANCE, as reported in last week's Sun, involved a pay raise for firemen. The supervisors announced that they were considering a pay raise after the budgets for the local districts had been set, with no provisions for salary increases included.

Now, as long as the commissioners were running the districts themselves, we seemed to get along pretty well. But, as noted above, there has been interference lately.

The supervisors are gradually assuming more and more of the responsibility for the operation of our fire districts. The commissioners seem to feel that Supervisor Mel Nielsen is the person most responsible for this.

This, naturally, leads the commissioners into the belief that the supervisors are actually trying to take over their districts.

Incidentally, this discussion is germane to the Lafayette and Danville fire districts also, because under the same new law which would permit county districts to hold an election and become autonomous, autonomous districts must hold an election every five years to keep their status.

THE MAIN QUESTION is, under which system will the job be done the best? Under county or local control?

This is not merely an academic question, but one of vital interest to you, if you are interested in your tax bill. Obviously the only way you can keep your taxes in line is through good management of the many special districts which serve you.

The case of the salary raise indicates just what can happen. Under the local control, commissioners did not grant a salary increase. At least, they did not include it in the budget.

But the supervisors did consider it, with suggestions for financing it on a "loan" basis. That means that the salary increase would have to be paid for from next year's taxes, and it means that your tax bill would be even higher than it is now.

It is possible that you will have a chance to decide this issue... if your commissioners feel that it should be brought to a vote.

Give it some consideration... it is important.

What Would It Mean to Unify Schools Vertically

Although the final count is not in, and it won't be until the November 30 meeting, more and more of our local elementary school districts appear to be favoring some form of vertical unification.

As you know, there are two general possibilities on unification of the Acalanes High School District—horizontal unification, which would make one large school district out of the present high school district and the Moraga, Canyon, Orinda, Lafayette and Walnut Creek school districts, and vertical unification, which would split up the Acalanes district like a pie.

The Sun has endorsed, in previous editorials, horizontal unification. This also appears to be the recommendation of the Acalanes High School District trustees, who do not want to see the present district split up into pieces.

LET'S LOOK, THEN, at some of the vertical unification possibilities and see what this might mean.

Under any form of vertical unification, elementary districts would have to expand their staff in order to set up a high school program, which most of them are not now prepared to do.

There would be a basic administrative problem. Instead of having the present Acalanes district, with all its administrative guidance and other facilities, each new unified district would have to start from scratch.

THIS WOULD MEAN duplication, and would certainly be more costly than either the present system or a horizontal unification system.

There might also be an immediate problem in some of the new districts. For example, suppose Walnut Creek were to unify. It would keep Las Lomas High School and certainly would keep Del Valle, too, because it is more in Walnut Creek than it is in Lafayette.

Walnut Creek, then, would be well off because it would have two complete high school plants. It now needs one and a half.

BUT WHAT WOULD happen to Lafayette? This new district, if it unified, would be left with Acalanes High School only, which would not be sufficient for the community's needs. True, Lafayette could merge with Moraga under one unification plan, and would thereby gain the new Campolindo school, but this would only be a postponement of eventual problems which would crop up as Moraga continues to grow.

And if Lafayette were to do this, it would mean that Orinda would have to remain near its present district size, even if unified, and presents another ultimate problem, which is school sites in the Orinda area. They are difficult to find because of the hilly terrain.

IT IS POSSIBLE, however, to divide the area into two or three separated unified school districts—the vertical plan. And hereby is attained the one obvious advantage offered under this system—size. We would be creating two or three smaller districts instead of one large one.

But there are still two very important items to consider in the whole unification discussion—the two most important items. What is best for our children, and what is best for us as taxpayers?

IT IS IMPORTANT to us how this issue is decided. We will eventually have a chance to vote on one form of unification or another, probably, and we must make up our minds what we think is best. We should use these two questions as guides.

And of these two questions, obviously what is best for our children is of paramount importance.

Under any new system you might ask yourself, "Will my child get as good an education as he is getting now?"

And having decided that, you might ask, "How will this affect my tax bill?" And then you will have a basis for decision.

It Couldn't Be Done?

They Said it Couldn't Be Done! It's downright amazing what you can get for your community if you put up a little battle for it.

Consider the recent decision of the Bay Area Rapid Transit District to route their tracks along Mt. Diablo Boulevard. At first, they said it couldn't be done... the tracks would have to follow Olympic Boulevard.

They said it would cost lots more dollars to route the tracks along the freeway.

BUT, in the face of concerted public opinion, the engineers have now found that they can put the tracks where

the people want them, and for no additional cost.

Wonderful!

Also, consider the plan of East Bay Municipal Utility District to lay its pipes right down the middle of Mt. Diablo Boulevard.

Again, they found that they didn't have to go that way at all. Take a look next time you drive through Lafayette. EBMUD is happily digging away up on the hillside.

So you see, it can be done.

And our communities are better for it.

We Like It Here...

Chapter One of The New Suburbia Primer

By MARIE MONAHAN

SEE the pretty house. See the nice people in the pretty house.

Look, Look! See all the pretty houses.

SEE all the nice people in all the pretty houses.

Shhhh... Shhhh. All the nice people are sleeping.

They are tired. Very, very tired.

TIRE, TIRE, TIRE.

THEY are tired of commuting. Rush, rush, rush.

They are tired of gophers. Dig, dig, dig.

They are tired of bills. Pay, pay, pay.

They are tired of meetings. Blah, blah, blah.

THEY are tired of telephone calls.

TALK, TALK, TALK. Ring, ring, ring!

The nice people are tired of parties. Blah, blah, blah.

They are tired of petitions. They are even tired of children.

THE NICE people will all get up in the morning.

UP, Up, Up. See mother up. See father up. See the children up.

Noise, noise, noise. Blah, blah, blah. Talk, talk, talk.

Ring, ring, ring.

LOOK, LOOK. See mother run.

Look, look. See father jump.

Look, children, look. See mother & father run & jump.

COME, children, come. HURRY, HURRY!

See father in his car. Little, little car.

SEE mother in her car. Big, big car.

See father & mother go, go, go. Hurry, Hurry, hurry.

SEE father go to work. See mother go to the store.

Now the children go to school.

LOOK, look. See the children study.

STUDY, study, study. Learn, learn, learn.

The children study & learn to get good report cards.

All the nice people's children must get good report cards.

That is because all the nice people's children must go to college.

See the college. Big, big, college. Very, VERY, big, big college.

WHEN the children are not in school, they go to scouts or dancing lessons. Sometimes they go to the dentist or the doctor or music lessons or ball games in mother's big, big car.

Rush, rush, rush.

WHEN the mother is not at the store, she is busy, busy, busy.

BUSY answering the telephone, busy baking cookies. Busy at the P.T.A. or busy at a fashion show or luncheon. Busy playing bridge.

All the nice people are coming home to the pretty houses.

All the nice people are coming home to the pretty house.

LOOK, father, look. Look at the children's report cards.

See father & mother look at the children's report cards.

See mother run. Run, run, run.

LOOK, LOOK. See father jump. Jump, jump, jump.

Look, children, look. See mother & father run & jump.

Noise, noise, noise. Blah, blah, blah. Talk, talk, talk.

Ring, ring, ring.

Pretty soon the nice people will go to sleep. Because they are tired.

TIRE, tired, tired. Very, very tired...

Suburbia Today

"My husband built it with his own hands!"

Letters to The Editor

UNICEF

Dear Editor:

The headline article in The Sun November 3 was probably the worst article you have published during the nine years I have been a subscriber. (Note: the article referred to dealt with UNICEF and letters from the "Citizens Research Committee" which were mailed anonymously to local residents.)

Why should an otherwise better than average weekly resort to a hysteria type article condemning an action that might have been instigated by one or a dozen crackpots or perhaps a couple of high school boys, acting as the "Citizens Research Committee?"

WHETHER I, or anyone else is for or against UNICEF is not the question at issue. Why should your paper resort to the Big Lie of reporting, and in so doing, commit a greater disservice to this community than the persons your article is condemning?

Where is the Big Lie in that article?

1. "The literature so infuriated the majority of people receiving it" — Did your paper take a poll of all persons receiving the material? Or do you mean the majority of the people the writer of your article talged to?

2. "INFORMED people know that these accusations are not true." If your writer will define "informed" I believe I can find several persons who meet Webster's definition and who will argue that statement.

3. Your article quotes the following from the mailed literature in question and infers that it is not so—"UNICEF does not distinguish between Communist and non-Communist governments." Well, does it, or does it not?

Since I was not on the "goblin's" mailing list and since your paper seemed to prefer not to reproduce the material, I have not read it. However, following the fuzzy thinking of your article I believe I represent the majority of the people who feel as I do on this subject and we think you should apologize to your readers for attempting to deceive us.

WILLIAM C. DIFFENBAUGH (Ed. Note: No deception was intended. Perhaps some readers were misled by not seeing the entire copy of the printed material. This could not have been the work of a "couple of high school boys," because it was obviously prepared by a large organization, or a branch of one.)

As for the "majority" of those who received the material, our only way of judging is by the number of calls we receive, and in this case we received many, from all our communities. As you know, people rarely write or phone a newspaper unless they are quite interested in something. We can use these calls as a measure of community interest.

What infuriated most people was the fact that there was no way of determining who represented the material which was mailed out, other than a bringing such matters to the post office box number.

It is The Sun's belief that by attention of the entire community, rather than just the persons who were on the mailing list, that a better understanding of the matter can be achieved.)

Dear Editor:

I have just received word from the American Milk Goat Record Association, which is the registry for all breeds of goats in the United States, that my Toggenburg doe, "Penny's Trudy," whose picture appeared on The Sun's front page earlier this year, has met all the requirements and is now a permanent champion.

This means that she has had to be best of breed at three official shows under at least two different judges where there were two or more exhibitors and 11 or more animals competing.

Trudy won the three "legs" of her championship at the 1950 Santa Clara County Fair, the 1961 Alameda County Fair and the 1961 San Joaquin County Fair.

At the last two shows there were five exhibitors and over 30 Toggenburgs in competition.

MRS. DOREEN LINDER

PANIC

Dear Editor:

Mr. Cleveland, assistant secretary of state for international affairs, recently stated for the Kennedy administration that we should not panic in the cold war.

I agree. However, with this nutty shelter fraud, some people may panic! So the administration should clear up this question at once.

TOM KENDALL

Under The Sun Here Is a Problem That Affects You

By HERMAN SILVERMAN

What is your opinion of "unification of the schools within the boundaries of the Acalanes High School District?"

The Sun has devoted literally thousands of inches of space to the various unification proposals that face residents of Walnut Creek, Orinda, Lafayette, Moraga and Canyon. Should these grammar school districts be combined with the Acalanes School District into one district—"horizontal unification?" (This, of course, was accomplished some years ago with the formation of the Mt. Diablo District.)

Or should each community have its own high school (or schools) combined with the grammar school districts—"vertical unification?"

Large School Districts

Or should our entire area be split into two large school districts, each covering from kindergarten through high school—another form of "vertical unification?"

Both "vertical" proposals envision the dismemberment of the Acalanes High School District.

What about a third alternative—status quo, remaining the way we are?

Well, this is questionable, but is possible. The State law now says that this and other areas MUST draft a unification plan and present it to the voters. Conceivably the voters could vote against the plan every time it is submitted. Some people say this is the way to get around the State's action in forcing unification.

Some authorities argue that it is only a matter of time before the State will take one more step and dictate unification. Meanwhile, in the very near future (possibly November 30) the County Committee on School District Reorganization must by majority vote recommend a unification plan. This then will go on the ballot.

Many months ago The Sun came to the conclusion that horizontal unification would afford the best possible education for our children. We wrote an editorial stating this position but at the last minute changed it to permit more time to study. We anxiously awaited the report of the Stanford experts. The Odell group was appointed (and paid) to study the problem and make specific recommendations. As you know, the report recommends horizontal unification.

Basis for Editorial

Although The Sun studied this report, we did not arrive at our editorial position in favor of horizontal unification on the basis of the Odell conclusion. We had actually come to that conclusion even before the group was asked to conduct the survey.

This is not an easy decision to make. As you know, most of the grammar school trustees are against horizontal unification. (If they must choose, they favor vertical unification.) They have watched their school districts grow; they have put years into guiding these districts; they sincerely believe that a smaller school district (the size of Walnut Creek, Orinda or Lafayette) can do a better job than a district including all three, plus Acalanes High, Moraga and Canyon.

Their prime argument is "local control."

They believe that five trustees from a single town are closer to the people, to the school and to the students and, thus, the education will be better. They declare that the parent can make his wishes more effective in a small district.

Frankly, there is much merit to this argument. "Local control" is the primary argument in favor of smaller districts.

Horizontal Unification

However, proponents of horizontal unification immediately point to the Acalanes High District. The five board members and the district have done an excellent job for the entire area. Traditionally, board trustees have been elected from throughout the district and I have never heard any criticism of the board favoring any one area within the district.

If all six districts were to unify, they would be governed by a board of five residents, similar to the Acalanes board. How much local control would be lost?

The experts seem to agree that horizontal unification would provide more services and, thus, better education for our children. The Odell report adds that possibly this could be done for less money.

Elsewhere in today's Sun you'll find other stories and editorials on this problem. But it is interesting to note that most of our local boards will instruct their representative on the committee to vote for "vertical unification" because they are against horizontal.

Vertical Unification

Some observers believe they are not in favor of vertical but they believe that the best way to defeat horizontal or any unification is to go for vertical. This is probably an oversimplification and only true to a degree. I am certain that some proponents of vertical believe it is much better than horizontal.

In my opinion, the present set up of school districts is much, much better than any vertical division. (See editorial on this page.) It would be a crime to slice up the high school system.

In any event, you will ultimately have to vote on this problem.

What do you think?

School Problems...

How Can We Get Our Child to Work Hard?

What means are there to get a child to work to his capacity?

ANSWER: There are only three that I know. 1. Inspiration. 2. Reason. 3. Pressure. They are herein listed in the order of desirability and lasting impression. Those who search for magic wands and quick cures in the educational fields are deluding themselves into disaster.

They just don't exist. It's persistency on behalf of the student and his guides of life that will see them all through to a more desirable academic conclusion.

SERVING the festive wedding cake are bride and groom Georgie Jean Stubblefield and Louis John Marelo, both of Lafayette. They were married in late September in St. Mary's Catholic Church of Walnut Creek. —Photo by Hal Matson

Queen's Visit Discussed

Members of the Diablo Nile Club, No. 8 met last night at the home of their president, Mrs. James Thornton, 1238 Temple Drive, Martinez.

Co-hostesses for the evening were the Mesdames H. Fahy and G. Broce of Concord, E. C. Holman of Walnut Creek and R. Coates of Pleasant Hill. During the meeting the

group discussed plans for honoring Queen Evelyn Van Horn of Neiru-Ari Temple No. 17. She will make her official visit to Diablo Nile Club January 18, according to Mrs. Ruth Berry, chairman for the occasion.

Each member attending brought a gift for San Francisco Shriners Crippled Children's Hospital.

Women in The Sun

FRIDAY, NOVEMBER 17, 1961

+ Sorority Notes

SIGMA KAPPA

Patricia Jackson, daughter of the Walter J. Jacksons of Silver Springs Road, Lafayette, and a member of Sigma Kappa sorority at the University of California, Berkeley, has been chosen as a member of the Women's Judicial Committee at the university. Pat is also president of the California Criminology Fraternity, Lambda Alpha Epsilon, at Cal.

Three 1961 graduates of Acalanes High School recently were pledged to Sigma Kappa sorority during the fall rush season.

Susan Hall, daughter of Mr. and Mrs. Will Hall of Reliez Valley Road, Lafayette, was pledged to Upsilon chapter at Oregon State University, Corvallis.

Also a member of the pledge class of Sigma Kappa at Oregon State is Nancy Noack, daughter of Mrs. H. G. Noack of Glenside Circle, Lafayette.

Betty Janet Trotter, daughter of Mr. and Mrs. George S. Trotter of Silver Dell Road, Lafayette, is a new pledge of Sigma Kappa's Delta Iota chapter at Chico State College.

Diablo Valley Sigma Kappa Alumnae will gather at the Lafayette home of Mrs. Ruth Sandberg for a brunch followed by a workshop meeting on Thursday at 10:30 a.m. Mrs. Sandberg will be assisted in serving the brunch by Mrs. Robert Maynard and Mrs. Daniel Murphy.

The purpose of the workshop is to assemble rice bowl plant-

ers which will be sold at the sorority's booth at the Lynn School Bazaar. Lynn School is the local group's philanthropic project.

The bazaar is scheduled for November 25 at the Walnut Creek Recreation Center.

PLEDGE TEA

Tau Omicron, Beta Sigma Phi, recently concluded fall rushing with the welcoming of five pledges at the Preferential Tea.

The tea was held at Diablo Valley College, was hosted by the Diablo Area Council of Beta Sigma Phi and honored all pledges of the Diablo area. Tau Omicron pledges are the Mesdames Paul Calrow, Phil Kirkham and Fred Smyth of Lafayette and Reynolds Partidge and Tony Pascarello of Orinda.

An opportunity, both for pledges and members, to meet members of other chapters was occasioned by a recent area-wide get-together, a county fair at Fair Oaks School, Pleasant Hill.

This was a council sponsored social, and included a potluck supper, county fair booths and a talent show. Tau Omicron's sample and recipe booth was decorated in the Halloween theme with a witch, raven, bats and pumpkins.

A pantomime act presented by Mrs. Daniel Torres of Lafayette and president of Tau Omicron, won the talent contest.

'Anything Goes' Parties Slated By Orinda Club

The series of "Anything Goes" parties being given by members of the Orinda Woman's Club is continuing in full swing throughout this month.

Proceeds from these parties will be used to purchase a new mechanical lift chair for the Swimming for the Handicapped program sponsored by the Red Cross and conducted at St. Mary's College pool.

Mrs. E. M. Stiles and Mrs. William Grafft will co-host a dessert-bridge party Thursday afternoon, at Mrs. Grafft's Donna Maria Way home.

For her "Anything Goes" party, Mrs. Patrick Henry has invited a group of friends to join her Thursday at the Claremont Hotel for a fashion show.

Mrs. Robert Buis of Ardith Drive is busy making her special Christmas cookies, which she plans to sell in order to contribute her share towards the club's project, and Mr. and Mrs. J. C. Foss, and Mr. and Mrs. Bruce Hoffe are opening their homes to their Fiesta Circle and Ivy Drive neighbors and friends for a progressive dinner December 2.

Each member of the Orinda Woman's Club will contribute to this fall fund-raising event in the way she chooses, thus giving the title to the series of events — "Anything Goes!"

Baritone Heard

Members and guests of the Women's Club of Walnut Creek recently heard Concord baritone Louis Kasper in a varied program of light opera selections and popular songs.

New members presented at this meeting included Mrs. Karl E. Johnson and Mrs. Alta Mae Jones, both of Walnut Creek.

BEVERLY JEAN WALL and Jeffrey Wolcott Baus were married recently in Santa Maria Catholic Church of Orinda. The bride is the daughter of Mrs. Preston Birk Wall and the late Mr. Wall of 46 Orchard Road, Orinda. Her bridegroom is a resident of Los Angeles. —Photo by Hal Matson

Vows Said In Orinda

Santa Maria Catholic Church of Orinda was the scene of the recent wedding of Beverly Jean Wall and Jeffrey Wolcott Baus, son of Mrs. Norman Theodore Baus and the late Mr. Baus of Los Angeles.

The bride is the daughter of Mrs. Preston Birk Wall and the late Mr. Wall of 46 Orchard Road, Orinda. She is a Kappa Gamma at the University of California and a member of a volunteer branch, Children's Hospital of the East Bay.

Her bridegroom is a student at the University of California at Los Angeles and a Phi Kappa Psi.

The officiating clergyman was the Rt. Reverend Richard

O'Donnell, The bride was given in marriage by her brother, Robert Birk Wall.

Members of the wedding party included: Miss Stephanie Smith, maid of honor, wearing emerald green with white carnations; Lieut. (j.g.) Milton H. Hoever, USN, best man, and ushers Michael A. Cornwell and Gerald M. Needle.

The bride wore a gown of ivory peau de soie applied with re-embroidered alencon lace. The fitted bodice was fashioned with a square neckline and three-quarter length sleeves. The full skirt swept back into a chapel length train.

Her veil or pure silk illusion was secured by a Juliet cap of ivory peau de soie and her flowers were stephanotis, phalaenopsis orchids and carnations.

Mrs. Wall, mother of the bride, wore a teal blue sheath of silk faille with matching shoes and bag. Her hat was blue and set off by a blue feathered veil. Her flowers were white phalaenopsis orchids.

The mother of the groom wore a beige jacket dress with matching accessories. Her pill box hat was fashioned of mink. She wore an orchid corsage.

Yule Bazaar Is Planned by Danville Jrs.

The Danville Junior Women's Club is making preparations to assist other local women's groups in a bazaar to be held November 25 for the benefit of the Contra Costa Council for the Mentally Retarded.

The bazaar will be held at Walnut Creek Recreation Center from 10 a.m. to 9 p.m.

DESSERTS OF THE WEEK FROM Betty Crocker

Thanksgiving's almost here. Then just one short month to get ready for Christmas. Here in our Betty Crocker Kitchens, we've already started baking our holiday fruitcakes. It's so easy when you can store them away in the freezer. And we think you'll like our easy — and surprising — recipe that uses Cake and Frosting Mix. Do try it.

Cake-of-the-week: MYSTERY FRUITCAKE

Make Betty Crocker Devils Food Cake Mix as directed. Cool, crumble cooled cake into large bowl. Add 4 cups candied mixed fruit (two 1-lb. jars), 1/2 cup each whole red and green candied cherries (1/2 lb.), 1 1/2 cups seedless raisins (1/2 lb.), 1 cup dates, cut up (6 1/2-oz. pkg.) and 4 1/4 cups pecan halves (1 lb.). Make 1 pkg. Betty Crocker Fluffy White Frosting Mix according to directions, and add to cake and fruit mixture. Stir with spoon or toss together with hands until mixture is damp and blended together. **PACK TIGHTLY** into foil-lined 10" tube pan or two foil-lined 8 1/2 x 4 1/2 x 2 1/2" or 9 1/2 x 3" loaf pans. Pat down with buttered hands until smooth. Cover cake with foil and chill in refrigerator at least 24 hours. Or wrap and freeze. Makes 6 1/2 lb. fruitcake. Make other fruitcakes with Betty Crocker White, Yellow or Honey Spice Cake Mix.

Party Centerpiece: TRAIN CAKES

Fun for children and grown-ups, too! Bake any flavor Betty Crocker Layer Cake Mix in an oblong pan, as directed on pkg. Cut pieces of cake 4x1 1/2". Frost sides and tops with Betty Crocker Chocolate Fudge Flavor Frosting Mix; decorate with confectioners' sugar icing to resemble cars in a train. Candy lifesavers can be the wheels. 18 servings.

BETTY CROCKER makes the difference... taste it!

1256 S. BROADWAY, WALNUT CREEK • YE 4-5280

NEW ORINDA residents, Mr. and Mrs. Robert Anthony Wistort, are shown leaving St. Francis of Assisi Church in San Francisco after their recent wedding. They will make their home at 8 Las Mesas.

Christmas Ceremony Is Planned

The engagement of Belette Cecile Ambler to David Bruce Jackson, announced recently at a family gathering in the Orinda home of the bride-elect's parents, Mr. and Mrs. Louis B. Ambler, Jr., will culminate in Christmas nuptials.

The young couple met as students at Stanford University where Belette is now a senior.

The son of Mr. and Mrs. Earl Jackson of Globe, Arizona, Bruce graduated with honors from Stanford last June. He was elected to the Stanford Chapter of Phi Beta Kappa in the spring. Currently pursuing graduate studies in political science at the University of California, the Stanford man plans a career in the diplomatic service.

A major in German, Belette spent last year abroad studying first at the Stanford campus in Beutelsbach, near Stuttgart, and then at the Goethe Institute in Koehl, Germany. The well-known Orinda girl was a member of the first graduating class of Miramonte High School and its first winner of a National Merit Scholarship.

An informal home wedding is planned for December 20 at which time the bride will be attended by her sister Pamela, a Miramonte student. Best man for the benedict will be the bride-elect's brother "Smed" Ambler, who will come home for the wedding from Japan where he is a student at the Stanford Center for Japanese Studies in Tokyo.

Women in The Sun

FRIDAY, NOVEMBER 17, 1961

Santa Sales Date Set By Lafayette Women

Santa Sales, annual Christmas bazaar sponsored by the Lafayette Women's Club, will be held December 5 in the Lafayette Veterans Memorial Building.

Doors will be open from 11 a.m. to 4 p.m. Shoppers may enjoy tea and coffee served all day beside a warm fire in the lounge.

Santa Sales chairman, Mrs. Robert Nelmes, says gifts for every taste and pocket-book have been made or donated by the various committees. Mrs. Albert Anacletio and her sewing group have made aprons, pillow cases, dolls and toys.

Mrs. Nicolas Granados and Mrs. Richard Alpen, promise a tempting assortment of baked delicacies from their committee.

A cookbook has been compiled from all the members' favorite casseroles, salads and desserts by Mrs. Theodore Anderson and Mrs. Robert Seay.

Mrs. H. A. Lincoln heads a group of volunteers who meet each week at the studio of

Margaret Miller to create ceramics, jewelry, and Christmas decorations.

Making dried flower arrangements to be sold in lovely containers are Mrs. R. M. McNairy and Mrs. Carl Xander.

Also ready for use will be the living flower and plant arrangements gone by the committee of Mrs. Naomi Dahlberg and Mrs. Barton Bacon. Inexpensive and "fun" items will be redecorated hats, white elephants, and a grab bag.

At 12:30 p.m. a complete luncheon will be served for \$1.25.

Luncheon chairman, Mrs. Harold Mutnick, says her hostesses will be past presidents of the club—the Mesdames J. M. Burk, Dwight Birch, T. J. Clark, Donn Court and Earl Plescia. Also assisting will be Mesdames J. E. Campbell, John Williams and Robert Mossman.

Mrs. Robert Lockey is in charge of luncheon reservations—phone 283-3028.

ACALANES GRADUATES, Linda Arlene Montgomery and Charles Phillip Bradshaw, greet guests after their recent wedding in St. Perpetua Church, Lafayette. The bride is the daughter of Mr. and Mrs. Harold H. Montgomery of 991 Hawthorne Drive, Lafayette.

Acalanes Graduates Are Wed

St. Mary's Catholic Church in Walnut Creek was the scene of the recent wedding of Georgia Jean Stubblefield and Louis John Marelllo, both of Lafayette.

Georgia is the daughter of Mr. and Mrs. George Stubblefield of 3327 Moraga Boulevard, and Louis' parents are Mr. and Mrs. Carlo Marelllo of 3273 Val's Lane, Lafayette.

The Rev. Joseph McLaughlin officiated at the ceremony, which was followed by a reception in the bride's family home.

For her wedding, the bride chose a gown of white satin with a lace overskirt and chapel train. Her shoulder length veil was capped with a rhinestone tiara and her flowers were orchids surrounded by lilies of the valley.

Her attendants, maid of honor Carlene Stubblefield, Mrs. Diane Land of San Jose and Mrs. Nancy Emmrich of Oakland wore gold satin dresses with matching accessories.

Mrs. Stubblefield chose blue taffeta for her wedding costume.

Robert Marelllo, brother of the groom, was best man. Ushers were Leroy Schmidt, Mike McAuliffe and Richard Stubblefield.

Hospital Branches Set Date for Tree Festival

The annual Festival of Christmas Trees will open at the Claremont Hotel, Berkeley, December 1.

Branch members of Children's Hospital of the East Bay present this festival each year as a joint project to benefit the hospital's part-pay program.

More than 150 miniature Christmas trees, no two alike, will be displayed at the dazzling exhibition which will continue through December 7, according to Mrs. Francis A. Knapp, general chairman of the hospital branches.

Entries, made by branch members, are described as "exciting and different" this year of limited financial means.

Visitors of the Festival of Christmas Trees may purchase trees and decorations there, but may not take them home until after the festival.

A party-preview from 6 p.m. to midnight December 1 will launch the display. Tickets for the preview are \$2.50 each.

For the six days following, the festival will be open from 10 a.m. to 10 p.m. daily.

Admission for adults will be \$1, and for children under 12, 25 cents.

All earnings from admissions and sales of trees benefit the part-pay program at Children's Hospital. This program offers medical assistance to children from families

King's Daughters Will Present Open House, Tea

The King's Daughters Home for Girls at 1186 Alta Vista Drive, Walnut Creek, will be the setting for an open house and silver tea this Sunday from 2 to 4 p.m.

General chairman for the event is Mrs. Vere R. Timmons of Danville. Assisting her will be the Mesdames Oliver Roodan, Joseph E. Tooker, Harry Alling of Walnut Creek; Herman Timmons, Lee Woolley, Ivan Chappell, Bill Gilmore and Morris Meeks of Danville; Florence Drummond of Concord and Norman Brooks of Danville.

Receiving will be Mrs. Alfred F. Virden of Walnut Creek, president; Mrs. Charles Marshall of Castro Valley, board chairman; Mrs. William Noh of Danville, board and

circle committee chairman, and Mrs. Carl Hovey, house-director.

The Girl's Home, which was opened in July, is the project of Mizpah Circle of the King's daughters.

It was incorporated to establish a home for neglected girls within the boundaries of Contra Costa County. At the request of the probation department, it was approved and set up by virtue of a contract with the County Board of Supervisors.

The circle has been incorporated and licensed by the State of California Department of Social Welfare and is a non-profit organization.

Under the supervision of the house-parent directors, Mr. and Mrs. Carl Hovey, the six girls who range in age from 12 through 15, attend local schools.

Betrothal Announced

Mr. and Mrs. Charles C. Nimmo of Lafayette announce the engagement of their daughter, Patricia, to Thomas J. A. McClain, son of Mr. and Mrs. Walter J. McClain of Denver, Colorado.

Their wedding is to take place next summer after Tom's graduation from Stanford.

Patricia was graduated from Acalanes High School and Stanford University.

She is chairman of Daphne Branch, Children's Hospital of the East Bay, and is presently working at the University of California Medical Center in San Francisco.

Her fiancé is a graduate of Friends' High School, Baltimore, Maryland, and attended Rensselaer Polytechnic Institute and John Hopkins University.

Club Will Serve Holiday Dinner

Walnut Hills Country Club will serve a traditional Thanksgiving dinner from 4 to 8 p.m. Thursday. Members are asked to make their reservations before Tuesday.

Residents Visit Del Monte Lodge

Mr. and Mrs. Paul C. Childs and Mr. and Mrs. J. F. Seuberg of Lafayette have been spending a few days at Del Monte Lodge, Pebble Beach.

Also visiting there have been Orinda residents, Mr. and Mrs. E. R. Babylon and Mr. and Mrs. Allen Grey.

Knights Tie San Ramon, 7-7, To Win Title

THIS KIND of tough defensive play all year enabled a low-scoring Las Lomas team to win the undisputed Foothill League championship. Bob Nordeman (31) and Perry Conner (33) slam San Ramon Halfback Lincoln Arthur to the turf for a one-yard loss while Gary Ford (30) comes up to help out in last Friday's game at Danville.

PARTICULARLY outstanding on defense last week for Las Lomas was Perry Conner, shown here jarring the ball loose from the grasp of San Ramon's Mike Mivelaz (22). The fumble set up the Knights' lone TD and enabled them to gain the FAL championship.

FOLLOWING his recovery of a fumble, Las Lomas Fullback Larry Gabie bulls into the end zone for a touchdown despite the efforts of two San Ramon tacklers. The TD plus Mike Breuleux's perfect placement brought the Knights the FAL championship, although the game ended in a tie, 7-7. San Ramon could have gained a title share with a win over the Knights.

Pleasant Hill Wins Tennis Title

Pleasant Hill completed an undefeated season and clinched its fourth straight Contra Costa Division-DVAL tennis title by defeating College Park last Thursday, 6-1.

The win was the 16th of the year for the Ram netters and their 14th CCD win.

A loss in the second doubles match ended a string for 12 straight league shutouts for Pleasant Hill.

Bob Harelson and Steve Pleau of College Park defeated John

DVC Wins 4th --Home Tonight

Diablo Valley College hosts Menlo College tonight at the Alhambra High School field in Martinez.

Kickoff time is 8 p.m.

Last Saturday night, the Vikings edged Cabrillo, 13-12, at Santa Cruz.

The win gives DVC a 4-2 record in Coast Conference play good for second place. The Vikings are 6-2 overall.

Cabrillo held a 6-0 halftime lead, but a Tom Strain pass to Pete Demos worked a TD late in the third quarter to tie the game. Strain booted the extra point to give DVC a 7-6 edge.

Strain connected on another scoring pass in the fourth quarter, this time to Clark Harris, to give DVC a 13-6 bulge.

Late in the period, the hosting Seahawks scored again.

With less than a minute showing on the clock, Cabrillo went for the two-point conversion, but Gary Smith pulled down the ball carrier short of the goal line to give DVC the win.

Eagles Upset by Antioch, 7-0

Antioch took advantage of a fumble recovery in the fourth quarter to score a 7-0 upset win over visiting Clayton Valley last Friday night.

The Panthers scored their only TD after the Eagles fumbled on their own six yard line.

Clayton Valley had two touchdowns called back because of penalties and also fumbled twice inside the Antioch 10 yard line.

Mrs. Patch Is Winner at OCC

Mrs. Peter Patch was the low gross winner in the Orinda Country Club Ladies Invitational Tourney held last week.

Mrs. Patch shot a 77.

Mrs. J. W. Small was the winner in the first class with an 83-10-73.

In the second class, it was Mrs. W. M. Jaekle with an 86-17-69.

Mrs. T. R. Haws won the third class with a 92-23-69.

Piedmont Tops FAL-JV League; Mats Are Second

Las Lomas wound up its Jayvee Foothill League season last week with a victory over Del Valle, 7-0, to clinch third place in the FAL.

The Knights scored in the second period when Mike Johnaek shot off-tackle for six yards for the TD.

The Trojans made an attempt to enter the scoring column in the final period when they had a first and goal on the Las Lomas two-yard line.

Del Valle fumbled on the next play and an alert Dan Fagundes recovered for the Knights.

San Ramon dropped a close decision to undefeated Piedmont, 14-7, as the Clan clinched first place in the league with five wins, no losses, and one tie.

San Ramon was fifth with one win, three losses and a tie.

Wolf quarterback Wayne Canterbury scored the only TD on a 10-yard rollout in the second stanza. The Highlanders scored twice in the first period and held on for the win.

MIRAMONTE clinched second place in the junior varsity league with a final, 19-0, win over Alhambra.

Quarterback Pete Boyle passed to halfback Jim Ramos for the first Matador touchdown. The play covered 40 yards.

Kevin Benson scampered 12 yards for the second TD and Bill Cooper hit paydirt on a 15-yard run off a reverse for the final score.

The Matadors lost only to undefeated Piedmont in six league games, 12-0.

Acalanes had a bye last week.

QB Gaffaney Sparks Mats To 5th Win

Luckless Miramonte closed out its 1961 season with a smashing 39-13 victory over winless Alhambra in Martinez last Friday night.

The win was the Matadors' second in five FAL games and fifth of the season. Alhambra lost all five league games and finished 0-8 for the season.

Miramonte, losers by 14-7, 2-0, and 7-6 scores in three of four previous FAL games, scored three times in the first period for an overwhelming 19-0 lead.

Senior quarterback Tom Gaffaney literally bombed the Bulldogs into submission as he connected on 13 of 21 passes good for 212 yards and five touchdowns.

GAFFANEY hit Bob Williams on an 18-yard scoring strike to start the Miramonte parade of touchdowns.

He then followed with another scoring a bulge—this time to Rick Cannon for 11 yards—to give the Mats a 12-0 bulge.

Dean Hilger picked up the final TD of the first period when he scampered eight yards. Jim Lewis kicked the 19th point.

After the first period barrage, Gaffaney hit on three more pay-off pitches. On the receiving ends were Hilger, Mike McQuaid and Stan Silva.

THE FINAL TD toss to Silva covered 67 yards.

Hilger's second TD covered 26 yards while McQuaid caught a short, three-yard toss.

Lewis added two more extra points to close out the scoring for the Mats.

For Alhambra, Jim Hammett scored twice on one-yard plunges. Tom Quontomattoe booted an extra point after the first TD.

The score was 25-7 at the half.

Net 142 Wins DCC

Women's Best Ball

Mrs. Frank Rossi and Mrs. Bert Sandberg won the Diablo Women's Golf Group Best Ball Tournament last week with a net 142 score.

Finishing in a tie for second place were Mrs. Frank Clenaghan-Mrs. Ron Patten and Mrs. Robert Allen-Mrs. John Bonner. Both teams shot net 144s.

Dons Rebound For Third Place Share in FAL

Acalanes, capping a terrific comeback drive, tied Piedmont, 6-6, last Friday night in Lafayette to gain a share of third place in the final Foothill League standings.

The draw deadlocked the two teams with 2-2-1 records.

The same two teams tied for the FAL championship last year. But, this year both teams had lean pickings—finishing with identical 2-5-1 records overall.

AFTER giving up 99 points in their first three games, and not being able to score a single touchdown for the first five games, the Dons regained respectability by virtue of a solid defense.

The Dons gave up only 31 points in five league games—an average of little more than six points a game. Only one team was able to score more than one touchdown on the Dons during the league season (San Ramon with three).

This is truly amazing when one considers, that the Dons gave up 15 TD's in three pre-league games.

In last Friday's game, the Dons scored first, then held on to salvage the tie.

Acalanes took the opening kickoff and marched 68 yards in 13 plays for their only score.

BOB BRABANT went over for the six points from three yards out. Warren Fox attempted the extra point, but it was no good.

Quarterback Doug Sanderson sparked the drive by connecting on two important pass plays, one for 15 yards and another for 14 yards.

The Dons' tough defense held the Clan on the one yard line in the second quarter, but couldn't do the same in the third quarter after Piedmont blocked a punt.

The Clan took over on the Acalanes 26 and marched in for the score. Quarterback Steve Hogan got the six points, blasting over from the two.

In the final quarter, Piedmont moved into scoring territory again, but the stubborn Dons, with the help of a penalty, managed to stop the threat.

DAVE ANDERSON

Is Top Football Prognosticator

Dave Anderson, the youngest member of The Sun sports staff, was the top prognosticator during the past football season.

Picking 10 games a week for nine weeks, Anderson had 58 correct picks with 32 incorrect choices.

His percentage was .644. This record is even more amazing when you consider that all time games were entered in the "mistake column." In high school games alone, there were five tie games in nine weeks.

Sports Editor George Colburn finished with the most number of correct picks—60. For nine "Wild Card Picks of the Week," Colburn had five winners. His overall record was 60-39 for a .606 percentage.

Hec Hancock finished with a 54-36 record for a .600 percentage.

Roger Jernigan brought up the last position with a 53-37 record for a .588 percentage.

Las Lomas Is Undefeated in Frosh Football

Las Lomas Frosh completed an undefeated season with a 20-7 victory over Del Valle last week.

The Knights finished first in the Foothill League with a 6-0 record.

In the first quarter, Randy Branum ripped around right end for two yards and the first TD. He also kicked the extra point.

The Knights rolled up another 13 points in the second period. Dave Allasia scored on a 41-yard reverse and Branum kicked his second conversion. Just before the half ended, Branum smashed off-tackle for 10 yards and the final tally.

Del Valle quarterback Bruce Black scored the Trojans' only TD in the fourth quarter on a 10-yard end sweep. Doug Craig received a Black aerial for the extra point. Del Valle finished the season with three wins, two losses and one tie.

MIRAMONTE clinched second place in the frosh standings with a 20-13 win over Alhambra last week.

Quarterback Nelson Anderson was the whole show for the Matadors. He scored all three touchdowns on runs of 85, 50 and 10 yards.

San Ramon took third place in the final standings with a 20-0 win over Piedmont. The Wolves' final record was 4-2-1.

Rams Edge CP In JV, 6-0

Pleasant Hill and College Park wound up their Junior Varsity seasons in a contest against each other last week.

Pleasant Hill won 6-0. Jim Garen scored the lone tally in the second period on a 15-yard run.

The final records for the clubs were: Pleasant Hill two wins and four losses; College Park no wins and six defeats.

The frosh teams of Pleasant Hill and College Park concluded successful seasons last week. The Rams were defeated for the first time this season by Livermore in their last game. The Rams finished with a 4-1 record.

The Falcons finished the season with three wins and two losses.

The team played a practice game with Mt. Diablo last week and lost, 13-6. The lone College Park TD was scored by Steve McPharlin in the first period.

Las Lomas Tops Foothill League; Del Valle Is Undefeated

Trojans' 8th Straight Win in a Breeze, 41-7

By DAVE ANDERSON

Undefeated, untied, unprecedented, UNUSUAL. What more can one say about the Del Valle football team as they wound up its first varsity season in the history of the school last week, defeating Terra Linda 41-7.

The Trojans notched their eighth straight victory and are the only school for which no team has ever been defeated in varsity play.

In defeating Terra Linda (undefeated in seven games) last week, the Trojans showed a good running attack with some passing interspersed.

The game remained scoreless until the second quarter, when, early in the period, Bill O'Toole smashed over for the touchdown from seven yards out. This climaxed a sustained march of 65 yards in nine plays.

A FEW minutes later, Bob Kovats hit Max Christiansen on a 22-yard pass play good for six more points. Mal Cameron bulldozed over tackle for the extra point. Still in the second period, Cameron scored another touchdown on a one-yard plunge and ran the PAT. The TD capped a 51-yard drive in six plays and gave Del Valle a 20-0 intermission bulge.

After taking the second half kickoff, with a fine return of 30 yards by Cliff Schroeder, the Trojans drove 43 yards in five plays with O'Toole scampering home on a four-yard pitchout play from Kovats.

Then the Terra Linda Trojans, down 26-0, drove for their only score. Catching the Del Valle pass defense napping, quarterback Dick Schultze hit Jerry Daniele on a 30-yard pass play, and followed it up with another 30-yarder to Steve Seymour good for the score. The kicked extra point was good.

As Terra Linda was driving again, Del Valle fullback Cameron brought the crowd to its feet with a spectacular 68-yard pass interception TD gallop, outrunning five Terra Linda defenders.

LATER in the period, Kovats scored the first touchdown of his varsity career on a one-yard quarterback sneak. The PAT was good on a pass from Kovats to Christiansen to give the Trojans a 39-7 lead.

After driving down to the three-yard line and running out of downs, the Trojans' Jim Pratt and Ken Roberts tackled Terra

Linda quarterback Schultz in his own end zone for a safety to end the scoring.

Del Valle Coach Jerry Bellon was impressed with the Trojan victory, as was a large segment of the Terra Linda crowd who had been accustomed to the winning ways of their ball club.

It would be safe to say that the Trojans have had a slightly fantastic season, with a junior class of only 80 boys as upper-class football material.

In their '61 season, Del Valle humbled eight football teams scoring 212 points (an average of better than four TD's a game) and allowing only 39 points.

The closest game was their first one against Cloverdale, 7-0. At the start of the season Del Valle was very thankful for that victory as they didn't know if they would win any football games.

The toughest game was the come-from-behind victory over the St. Elizabeth's Mustangs.

Down 13-7 at halftime, Del Valle roared back to win 23-13. This game established the Trojans as a real power. St. Elizabeth's had lost only one game previously and had defeated a team ranked eighth in the East Bay.

THE TROJANS' great success scoring touchdowns stems from their versatility.

The pass and the run have worked with equal effectiveness. O'Toole, Schroeder, and Cameron were able to break away for long gainers as well as grind it out slowly.

Kovats has touchdown passes of 75, 63, and 65 yards to his credit, just to name his longest tosses.

The ability to strike quickly, yet grind it out slowly when necessary made it hard to stop Del Valle.

The winning ways of the football team have established a tradition that the other teams will seek to follow.

The student body and faculty were fortunate to have such a fine team represent them on the gridiron.

-Sun Sports-

FRIDAY, NOVEMBER 17, 1961

A RARE SIGHT in high school football is the field goal attempt . . . with just 36 seconds left in last Friday night's Las Lomas-San Ramon game, the Wolves tried a 25-yarder with the score tied at 7-7. Kit Carson's (in circle) kick was aimed true, but

was partially blocked by Jim Elrod and fell short. The kick came on a fourth down and nine situation. San Ramon could have gained a share of the Foothill League championship if the kick had been good. —Sun photo by Bob Rush

Pitt Clinches Share of Title

Pittsburg ran its CCD record to 5-0 defeating Mt. Diablo, 20-13 last Friday night in Concord.

The Pittsburg win officially eliminated Mt. Diablo from the title race. The Red Devils had won the title for the past three years.

The Pirates also clinched at least a tie for the title with the win.

The Pirates never trailed in the game, although Mt. Diablo gained a brief 7-7 deadlock in the second period.

Pittsburg led 14-7 at the half and 20-7 at the end of three quarters.

The Final Prep Football Games Are Tonight

The final local high school football games of the year will be played tonight in the Contra Costa Division of the Diablo Valley Athletic League.

The Foothill Athletic League closed out its season last week.

In games tonight, Mt. Diablo (2-2-1) is at Pleasant Hill (4-1) for a big game with the Rams. Kickoff is at 8 p.m.

A Pleasant Hill win and a Pittsburg loss would give the Rams a share of the title. Mt. Diablo, CCD champion for the past three years, was eliminated from the race last week by Pittsburg.

Undefeated Pittsburg (5-0) hosts Antioch (2-2-1) in the steel city in the other important CCD clash tonight.

In the final league game, winless Pacifica and Clayton Valley battle at the Mt. Diablo High School field at 8 p.m.

A Clayton Valley win would give the Eagles a 3-3 record in CCD competition.

Games Tonight

Mt. Diablo at Pleasant Hill,* Pacifica at Clayton Valley (Mt. Diablo field).* Antioch at Pittsburg.* All games at 8 p.m. (*Contra Costa Division (DVAL) games.)

JV Schedule

TODAY Mt. Diablo at Pleasant Hill, 5:45 p.m. (Only game scheduled.)

Knights Hold Off Wolves To Gain Tie and Title

By HEC HANCOCK

A tough Las Lomas goal line defense thwarted a last-minute San Ramon wolfpack drive, thereby earning the Knights a hard fought 7-7 tie, and sole possession of the Foothill Athletic League football championship. A San Ramon win would give the Wolves a share of the title.

The Wolfpack, using the line slants of Mike Mivelaz, Lincoln Arthur and Bruce Townsend, had moved relentlessly in Knight territory.

With less than two minutes to play, San Ramon had a first down, and but six yards to go for the go-ahead score. Two line smashes had edged the ball to the two-yard marker. However, on third down, big Bill Staley, Knight tackle, clobbered Mivelaz for a seven-yard loss back to the nine-yard line.

A fourth down 25-yard field goal attempt by Kit Carson of the Wolfpack was deflected by Jim Elrod, and the Knights took over possession of the ball to run out the final 36 seconds.

SAN RAMON, determined to salvage at least a hunk of the championship, dominated play most of the game. Surprisingly, San Ramon with Wolves moved 66 yards in 15 plays with Mivelaz getting the score on a 12-yard jaunt around the right end. Kit Carson split the uprights on the conversion making 7-0 at halftime for the Wolves.

Midway through the third quarter, Larry Gabie, Knight fullback, recovered a San Ramon fumble on the Wolfpack 21-yard line to give Las Lomas the break it needed. Perry Conner's jarring tackle prodded the ball from Mivelaz' grasp.

With Gabie accounting for 17 of the yards, the Knights moved to the two-yard line in four plays. From this point Gabie banged in the end zone for the big six points.

Mike Breuleux rammed the PAT through the goal posts for the equalizer. SAN RAMON dominated the statistics in every department. Disdaining their passing game, the Wolfpack moved mostly on the ground. The Knight line grudgingly gave ground to the San Ramon line thrusts.

However, time and time again, Mivelaz, Arthur and Townsend moved in for the necessary yardage to keep the Wolfpack drives alive.

Except for the great play of the Las Lomas linebackers, Conner in particular, prevented San Ramon from going for the big gainer.

The San Ramon attack ground out first downs, enabling them to maintain ball control, but were unable to spring loose a play that could have broke up the game.

Surprisingly, San Ramon with quarterback Jim Gelderman, a sharp shooting passer, elected to stay almost entirely on the ground.

Las Lomas' pass defense has been found wanting on past occasions, and feeling prior to game time was that San Ramon would endeavor to move the ball through the air.

Considerable credit should go to such as Breuleux, Rick Laven, Gabie, Gary Ford, Len Haentjens, Conner, Arlis Loe, Danny Colow, Otto Schatz, Bill Staley and Larry Reardon for fine performances all season long.

All in all, it was a team effort without any real standout. Congratulations Las Lomas, 1961 FAL Champs!

YOU WON, COACH—Las Lomas mentor Duane Louis accepts a handshake following his team's final game last Friday night. Although Louis doesn't show it, his team had clinched the undisputed Foothill League championship a few seconds earlier. Las Lomas barely managed to hold onto a 7-7 tie in the final minutes of the game, which is probably the reason Louis seems a little fatigued in this picture. The usual post-game victory celebrations following a championship were also lacking last Friday night. The weary Las Lomas team was content to just walk off the field after their brush with defeat, neglecting victory dances and the traditional ride usually given victorious coaches. A clean-cut Las Lomas victory might have caused a different reaction. —Sun photo by Bob Rush

Pleasant Hill Can Gain CCD Title Share—IF

Pleasant Hill kept alive its flickering title hopes in the Contra Costa Division by thumping cross-town rival College Park, 25-7, in the first varsity football meeting of the two schools.

It was the fourth win in five CCD games for the Rams who must beat Mt. Diablo tonight to remain in the running for a share of the CCD title.

A win over Mt. Diablo plus a defeat of Pittsburg would give the Rams a tie for first place.

The undefeated Pirates host erratic Antioch in their final game while the Rams host the Red Devils at 8 p.m. in Pleasant Hill.

THE RAMS took charge immediately in last week's game against College Park.

Pleasant Hill took the opening kickoff and marched 65 yards in 18 plays to go six points up.

Quarterback Nelson Shelton took the ball over from the one-yard line.

Shelton again made his pres-

ence known the next time the Rams got the ball.

In the second quarter he combined with halfback Dave Clark on a 25-yard pass play that netted six points and a 12-0 Pleasant Hill lead at halftime.

The drive of 61 yards took only five plays.

LATE in the third quarter, Pleasant Hill started moving again.

The drive, which began on its own 23, finally needed 12 plays later with fullback Tom Foster banging over from one-yard out.

Halfback Dave West's extra point poot was good this time, giving the Rams a 19-0 lead at the end of three periods.

With a penalty getting them started on the Ram 43, College Park moved in for its only score following the Pleasant Hill TD.

Quarterback Loran Speck took to the air, completed three passes in the drive along with a pass interference penalty which gave the Falcons a first down on the 19.

FOUR PLAYS later, halfback Art Miller scored from the one-yard line.

Halfback Dick Larscheid booted the PAT to make the score 19-7 midway through the final stanza.

The Rams weren't through however.

They covered 72 yards in eight plays following the kickoff to boost their final margin to 25-7.

Shelton carried the ball the final 10 yards to pay dirt.

Hole-in-One Might Mean Trip Abroad

A hole-in-one scored this season by Mrs. George Innes of 3 Sager Court, Orinda, may earn her a trip to Scotland for two weeks.

The winner will be announced early in January.

By getting her ace at the Mira Vista Golf Club Course, the Orinda woman was entered in the Old Smuggler Hole-in-One Sweepstakes.

Crusade In Final Effort

The Contra Costa County of this amount has been raised, actually needed to meet increased demands on agency services.

Bay Area Chairman Mortimer Fleishacker, Jr., said "If everyone responds to this special appeal, as I'm sure they will want to, we will achieve our first 100 per cent campaign."

"But more important—we will have taken a positive step toward closing the financial gap between what we have been able to allocate to our agencies in the past, and the \$15 million figure

Fleishacker said many individuals and firms in the Bay Area who have given in the past have not as yet made their 1961 contribution.

He said that special appeals will be made to this group, and urged others who have been missed in the general solicitation to contact their nearest United Crusade office listed in

THIRD SECTION

ORINDA SUN

FRIDAY, NOVEMBER 17, 1961

the telephone directory. assistance in this endeavor by increasing their 1961 gifts.

He also noted that many of the Bay Area Crusade's larger corporate and individual givers will receive letters asking their

Jew's Position In Russia Is Sunday Topic

"The Position of the Jew in Russian Society" will be discussed at the Contra Costa Jewish Community Center Sunday at 8 p.m.

Dr. Julian Towster, professor of political science at the University of California and a leading authority on modern Soviet and communist politics, will speak.

Santa, Sleigh, Coming December 4

Santa Claus will arrive at the small slots for letters to Santa, Broadway Shopping Center, and a record player for Christmas music. Santa himself will remain in Walnut Creek, December 4, bringing with him his famous sleigh, complete with mechanized, life-size reindeer, 140 colored, flashing lights, a revolving, lighted Christmas tree, two

December 4-6, after which Santa will return it to the North Pole. Santa himself will remain in Broadway until Christmas.

The sleigh, built at a cost of more than \$20,000, has leather-padded seats, a public address system, and plenty of

room in back for Santa, too, while the steering is done by one of his helpers, according to B. K. Horne, chairman of the sponsoring Broadway Merchants Association.

Free rides will be given to all the children during the three

days from 10 to 12 noon, 1:30 to 5 and 7 to 9, said Horne.

Grownups may also accompany their children, too, and Santa claims many of them enjoy the ride as much as the boys and girls.

Santa will make a special

point of talking to each child who gets on the sleigh.

He asks them if they have been minding their parents, saying their prayers each night and what they want for Christmas.

HE IS also ready to answer thousands of questions asked by

youngsters about the Christmas spirit.

The Merchants Association has also arranged for Santa and his giant sleigh to visit on December 3 the Edgar Cottage, Juvenile Hall; St. Michael and All Angels Episcopal Church, Concord; Shadelands Ranch in Ygnacio Valley and Hillside Covenant Church, Walnut Creek. And the young people of the Lynn Training Center for Retarded Children will come to

Broadway on that day to see Santa and ride in the sleigh.

The schedule: Edgar Cottage, 9 to 10:45 a.m.; St. Michael's, 11:20; Shadelands, 3 to 4 p.m.; Hillside Church, 5:30 to 6.

THE SLEIGH is operated by Santa's Sleighs, Inc., of Columbus, Nebraska, said Horne.

The firm's president is Robert George, America's most famous Santa Claus, he said. George was a barber in Cozad,

New Polio Law Requires Shots for Students

"Over 70,000 school children will need to start polio immunizations within the next two months," Dr. H. L. Blum, county health officer, said.

He said plans for local implementation of the state's new polio law are now completed and being put into action.

According to Assembly Bill No. 1940 any student (minor or adult) must be immunized for polio, unless this is against his personal belief. This concerns 150,000 pupils in Contra Costa County.

A minimum of three injections are required. After January any new student must have had at least one polio injection to be admitted to school, and a total of three must be completed within a year.

Continuing students must begin their series by September 1962, but should start now.

In order to avoid the rush of meeting deadlines, a committee of citizens, physicians, and school and health department personnel recommended that the county's immunization program be started immediately.

It further recommended that the program not be limited to polio, but include promotion of immunizations for tetanus, diphtheria and smallpox.

Within the next few weeks letters to parents and individual immunization records devised by the health department will be sent home from school with each student.

This will explain the program and suggest when to obtain needed immunizations. Dr. Blum

urged parents to read the information carefully and begin injections as recommended.

Immunizations are best obtained from private physicians who keep permanent records of all medical services given, he said.

For those having difficulty obtaining this service privately, health department immunization clinics are held regularly each month throughout the county.

Potentate At High-12 Club Meet

Charles Campbell, illustrious potentate of Aahmes Temple of the Ancient Arabic Order of Shrine, will speak today at noon at the Walnut Creek High-Twelve Club luncheon at Kellogg's Restaurant.

Potentate Campbell has recently returned from Shrine ceremonial initiations at Paris, France and Heidelberg, Germany, where Aahmes maintains Shrine clubs.

He will speak on "Masonry in Europe."

Lloyd Christiansen, president of the Walnut Creek High Twelve, invited non-member Shriners and Masons to attend.

Reservations should be made by calling him or Bill Riggs, program chairman.

Special Service For Nov. 23 Is Planned

Gratitude for God's great goodness and power is the theme of the special Thanksgiving Day service to be held in all Christian Science Churches at 11 a.m. Thursday.

Spontaneous testimonies of gratitude by church members for blessings which a spiritual understanding of God and man have brought into their experience during the year will be a feature of the service. There will be no collection and a cordial invitation is extended to all.

Christian Science Churches are located at 3422 Mt. Diablo Boulevard, Lafayette; 22 Orinda Highway, Orinda; 1437 Locust Street, Walnut Creek, and at the corner of Grant and Park Streets, Concord.

3 Local Students On DVC Commission

Three local Diablo Valley College students have been named to the Associated Student Council as commissioners.

They are: Tony Palmer, 3692 Hastings Court, Lafayette, intracampus council; Sharon Gillespie, 1 Crane Court, Orinda, assemblies; John Bird, 762 Hilton Road, Walnut Creek, finances.

IT TAKES 176 HANDS TO MAKE A PAIR OF CHILDREN'S SHOES

but these two at **SENIOR'S** are even more important!

Without careful, expert fitting, the best shoes ever made will not protect your children's feet as they should. This careful fit contributes to longer wear, too. Stop in and let us show you how we do it. And when you know more about the importance of fit, you'll know why we recommend Edwards, the children's shoe that is constructed for better fit. All styles, all sizes from tiny ones to teens.

Local Girls In Queen's Court

Sharon Brantley of Walnut Creek, and Raylene Hermann of Lafayette were members of the queen's court during San Jose State College's recent homecoming weekend. The two girls were among five finalists in the queen contest. Sharon is the daughter of Mr. and Mrs. Lewis Brantley, 14

Sharmar Court, Walnut Creek. She is a Las Lomas High graduate, and was a homecoming princess at Las Lomas.

Raylene is the daughter of Dr. and Mrs. Ray Hermann of 640 Glenside Drive, Lafayette, and a graduate of Acalanes High.

Nominees Are Announced by Diablo Art

Mona Williams, chairman of the nominating committee for the Diablo Art Association, has announced the 1962 selection of officers to be installed at the next meeting.

The association meets on the fourth Monday of each month in the Contra Costa Realty Board Building in Walnut Creek.

New nominees are as follows: President, Harry Kaufman of Pleasant Hill; vice-president, Fred Pring of Danville; secretary, Gigi McLain of Walnut Creek; treasurer, Delora France of Danville; program chairman, Albert Wascher of Oakland; exhibit chairman, Lida Lawson of Alamo; publicity, Beth Barnes of Concord; bulletin, Katy Madson of Walnut Creek, and membership chairman, Ida Wilt of Concord.

Votes for the best painting of the month gave a first place tie to Otto Schuchard and La Vergne Millard and the second place award to Doff Herman.

These winning paintings may be seen at the offices of Marshall Realty on Main Street in Walnut Creek.

Bouquets for Mrs. Iona Booth

Some 250 friends and business associates paid tribute to Iona Booth, retiring manager of the Contra Costa County Development Association, recently at the Diablo Country Club, Diablo.

Booth with a resolution of appreciation passed by the unanimous vote of the board of supervisors, recognizing her contribution to the welfare and development of Contra Costa County during her 25 years of service.

Henry Simonsen of Industrial Tank, Martinez, presented Mrs. Booth with a "ship's bell" from the Marine Exchange of San Francisco.

Chairman Fred Kracke announced that Mrs. Booth retired on October 31, after 25 years of service, and her husband, Jodie Booth, retired from Standard Oil Company that same day after 44½ years of service.

Teacher's Fluoridation Book to County Library

"Penny's Precious Pearl," a cooperative resource work by Byron Cross, coordinator of health, physical education and recreation for the county schools department.

Assisting in pre-publication development are Philip Hoyer, health educator for Contra Costa County; Mrs. Mabel Bowen, assistant curriculum coordinator, Martinez School District; Mrs. Kay Dorris, health consultant, Lafayette School District; and Zachary M. Stoldt, assistant health officer, division of dental health, Contra Costa County.

"Penny's Precious Pearl" was written by Mrs. Wagner during a University of California extension course in dental health education to "Aid children in the first grade to develop a general understanding about fluoridated water and to incite better dental health practices," she said.

Copies of the publication will be distributed to all Contra Costa County first grade teachers in February as part of observance of Dental Health Week.

At present the book, which was illustrated by her son Barry, a student at Las Lomas High School in Walnut Creek, is being prepared for distribution.

It carries the approval of the California State Department of Public Health and includes co-

Woman Gives 1000 Hours To Heart Association

Mrs. W. B. (Irene) Marschner of Walnut Creek has performed more than 1000 hours of volunteer service as treasurer of the Contra Costa County Heart Association.

Her regular weekly duties include bookkeeping, budget control, preparation of reports for committees and board meetings and chairman of the finance committee.

During the Heart Fund campaign, she takes charge of the campaign accounting and banking, a job that involves most of her time for two months.

In fact, her job has grown to the extent that she has an assistant volunteer, Mrs. John Holm, with the title of "budget director."

Mrs. Marschner's long-time involvement with the work of the Heart Association was the result of a suggestion made by her husband's physician after he suffered a heart attack.

She was elected to the board of directors as assistant treasurer in 1954 and subsequently became the "perennial" treasurer.

Well qualified in this line because of her experience before her marriage, Irene also serves as treasurer of the Walnut Creek, Lafayette and Orinda Circle of King's Daughters.

The Marschners, who live at 1749 Newell Avenue, Walnut Creek, have a daughter, Myrdille, 17; and a son, Jeff, 15. Both attend Las Lomas High School.

The entire family is devoted

to hobbies, including pigeon raising by Jeff.

Myrdille is building a reputation as a fancy cook, featuring fancy desserts. Camping and fishing excursions are regular events for vacations and weekends. This summer, a trailer acquired in January, was initiated on a trip to Oregon.

Colonel Marschner (U.S. Army, Ret.) is a consultant for the Bureau of Hospitals in the Department of Public Health.

It is during his frequent business trips and while the children are in school that Irene finds her way to her desk at the Heart Association office. She calls this her "most important and rewarding hobby."

Janitorial Position Available

Contra Costa County is accepting applications from persons desiring to obtain jobs as custodian. The final filing date is next Friday.

The salary is \$358-\$395 per month.

Appointments may be in county buildings located in Richmond, Martinez, Pittsburg and Pleasant Hill.

The position requires that candidates have a valid motor vehicle license, have completed the eighth grade, and have at least one year of experience in janitorial work.

**3 DAYS
CELEBRATION**

THURS. FRIDAY SAT.
NOV. 16-17-18

Only the...

Amana Free-O'-Frost
FREEZER-plus-REFRIGERATOR GIVES YOU BOTH,
fast efficient contact freezing...with no frost ever!

Model FF-125

Amana... the first and only Freezer-plus-Refrigerator that combines both of today's most wanted features—fast efficient contact freezing and no frost ever. It's the new Amana Free-O'-Frost Freezer-plus-Refrigerator.

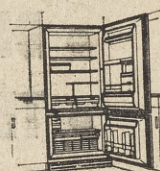

Here's why this freezer is 2-ways better. Amana-Matic contact freezing is up to 2½ times faster than ordinary freezing methods. All food is on or below a fast freezing surface. Even "zero" storage temperatures keep foods fresher, safer, longer.

Amana's exclusive new Frost-Magnet attracts frost — takes it out of the freezer — no messy defrosting.

Only Amana gives you this years ahead freezer plus a full family size refrigerator with glide-out shelves, automatic defrosting, thermostatically controlled butter keeper, vegetable crisper, meat keeper, even a tall bottle compartment.

See this amazing 2-in-1 appliance now on display.

200⁰⁰ FOR YOUR
OLD REFRIGERATOR
(3 DAYS ONLY)

Style-Line Design with smart straight lines gives you that "built-in" look. May be built in if desired.

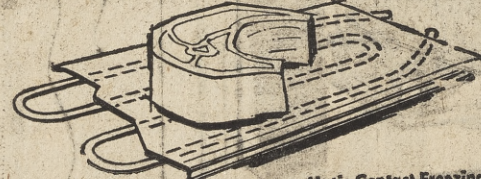

Exclusive shelf construction. Finished on both sides for easier cleaning. Prevents cans and bottles from tipping.

New magnetic door seal provides easiest open-close action ever—no yank, no slam—better, more positive seal.

Famous Amana Warranty — Five-year warranty on sealed refrigeration system plus one-year warranty on the cabinet.

Why **Amana** outperforms all others

Amana-Matic Contact Freezing
Amana's exclusive Frost-Magnet
(Pat. Pending)

Amana features fast efficient contact freezing—up to 2½ times faster than ordinary freezing. All food is on or below a fast freezing surface. Even "zero" storage temperatures keep foods fresher, safer, longer. The exclusive Amana Frost-Magnet attracts frost... takes it out of the freezer.

Those Wide-Open Spaces Needed For Parks, Local Group Is Told

DeWitt Nelson, director of the State Conservation Department, spoke at the annual dinner of the Contra Costa Park and Recreation Council.

He said, "If we do not save open spaces now, they may be lost forever. What may seem to be open space in this county is really not available."

"The no trespassing signs, he said, are replaced overnight with suburbia, rapidly moving into the orchards and the grazing lands."

"Hills today will be covered by rooftops and cut by highways tomorrow. Lands acquired for recreation uses today will save millions tomorrow."

Nelson said in 1980 there will be an increase of leisure time by 15 per cent.

Incomes will increase 30 per cent, population will increase 100 per cent.

"With better living standards and a growth in population there will be more and more demand for recreation. Recreation pressures are very strong nationwide. Contra Costa by planning toward a county park system is getting ready for these pressures," he said.

Citing the State of California's recreation study completed last year, Nelson explained that need for recreation was calculated by zones according to the distance

from the highest concentration of population.

Zone 1 was the immediate neighborhood of a two-mile radius where recreation and park facilities should be provided by the local community.

In Zone 2 which was a 40-mile radius, both the county and community need to cooperate in providing park and recreation facilities.

This is the zone which has 75 per cent of recreation use and thus the county park system is so important to planning park and recreation space.

He said the State of California was helping within this zone by providing Mt. Diablo State Park and the new Frank's Tract State Park.

Zones 3 and 4 in the study are concerned with the weekend and the longer vacation park and recreation facilities of state and national parks.

Nelson praised the Contra Costa Recreation Council for its efforts in promoting interest and support for a well planned county park and recreation system.

FITNESS

The American dairy industry is backing President Kennedy's physical fitness campaign through a do-it-yourself family physical fitness kit for community use.

Unicyclists To World's Fair

The Diablo Valley Unicycle Club has accepted an invitation to appear at the 1962 World's Fair in Seattle, Wash., according to member Ruth Fitch.

The club's "World's Fair Fund" will be bolstered by a cake sale tomorrow beginning at 9 a.m. in the Mayfair Market, Concord Park and Shop Center.

The club is relying on donations and fund raising efforts to raise travel money, Mrs. Fitch said.

"The unicycle club has 20 youngsters ranging in age from six to 16 years old. Dick Rickon of Walnut Creek is instructor and drill master," she said.

"The boys and girls reside in Walnut Creek and Concord. They have all had at least one year's experience unicycling, and some more than three years," they said.

"The club's primary interest is to perform in benefit shows. The youngsters recently took part in a show in Oakland for the benefit of the "Indoor Sports," an organization for the handicapped.

"One of the club's acts will soon appear in a show at the Alameda Naval Base.

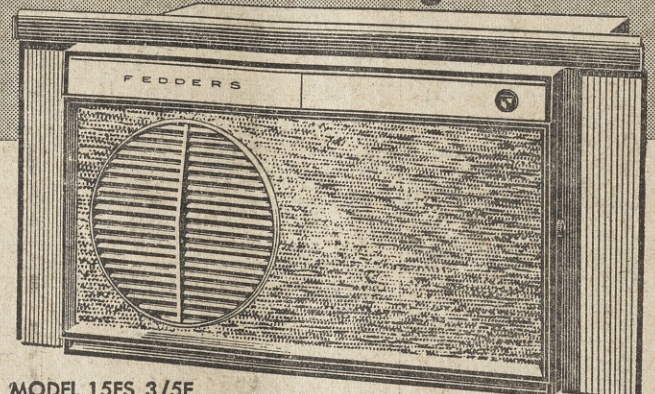

"In December we will perform at the East Bay Municipal Utility District Christmas party held annually for employees' children in Oakland. This year it will be held in the Oakland High auditorium," she said.

Members are developing a 45-minute show for the World's Fair.

Groups may see a performance of the unicycle club during the holiday season by writing Diablo Valley Unicycle Club, P.O. Box 1123, Concord. No fee is charged.

YEAR 'ROUND COMFORT for the price of summer air conditioning alone

FEDDERS
Four Seasons
AIR CONDITIONER

Biggest bargain in air conditioning when you figure the extra hours of comfort you'll enjoy with this famous year round heats-and-cools Air Conditioner. Delivers a ton of summer cooling (12,000 BTU's) ... and 10,000 BTU's of heating when it's zero outdoors. (That's as much as most central heating radiators and registers supply.) Use it for converted attics ... basements ... added rooms ... those uncomfortable rooms where discomfort is usually a year-round problem.

Choose the setting
to make your
dream home come true...

Your dream home, the home you see with your heart, requires a dream location... or the happiness you anticipate will be incomplete. The Osmundsen Co. will erect your home on land you already own or assist you in locating either in new Osmundsen developments or in established areas that meet your social and cultural requirements. The Osmundsen Co.'s superb designers work with you to bring into being the home that reflects you and you alone. Should you prefer, The Osmundsen Co. will build exactly to your architect's specifications. The best costs less than you think when you select The Osmundsen Co.

For your family,
Betty Crocker suggests a
creamy smooth wheat cereal with
a wonderful flavor—Wheat Hearts

Breakfast is the most important meal of the day, because it's the first. So it should be hearty and nourishing. That's one reason why Wheat Hearts is so popular here in the West. It gives you a hot, hearty breakfast with a good share of the protein and Vitamin B₁ you need every day.

And folks like Wheat Hearts for its distinctive flavor, too. It's a toasted, nut-like flavor that no other cereal can match.

Try it, with milk or cream and maybe a little honey. And remember, as Betty Crocker says:

"You and your family need a good, healthy breakfast to start you on your way... And the healthier your breakfast, the happier your day."
